other. I think those who are interested in this project and who do not live in Georgetown or in the near vicinity are greatly indebted to those wis have undertaken to do this much needed work. I regret that I am unable to ahare these burdens with you, yet I beg you will know that you have my entire sympathy in this work which the Committee in Georgetown have so unselfishly undertaken. I further wish you to know that in your future labors in this direction I shall be gisd to assist in any way you may suggest.

With my kindest regards and with a deep appreciation of the sentiment and sympathy which prompted the Committee to undertake this deserving task.
