#### For Tire-wise Motorists

Highest in quality—lowest price. A genuine Seiberling built tire, 29 x 4.40, for only **\$ 8.35**

THE tire-wise and the value-wise motorist can tell by one look at a Seiberling All-Tread that it offers more tire and greater value. More rubber, stronger cords, more material, more actual tire for every tire dollar you spend on Seiberlings. And added to this, a quality which comes from the knowledge and skill acquired in the building of over 50,000,000 tires. Call and see for yourself how those heavy ribs of tough rubber extending right over the side-wall protect against curb and rut chafing. Hear the **SPRINGING SINGERS** every Thursday at 9:30 P.M. Eastern Standard Time, over WEAJ and 36 other stations.
