HORNBY

The members of the Hornby hockey team were guests of honor at a banquet and old-time dance held in the Swaney Hall on Friday evening of last week, under the auspices of the executive of the hockey club and with the kind co-operation of the good women of the community.
A crowd of over one hundred and fifty people assembled to partake of a dinner and, if ever, equalled in a community noted for its good cooks and its kind and bountiful hospitality.
A striking evidence of community spirit was manifested by the presence of a number of representative citizens from the town of Milton. Toasts were proposed to "The King," "Our Queens of Hornby" and "The Ladies." Short speeches were delivered by prominent citizens present, including Mayor Byer, Rev. J. W. Blair, Postmaster Dewar, Mr. P. Pantan, Manager of Bank of Toronto, Murray Sprout, Howard Cox and Chas. Galbreath, Mr. Robinson, president of the hockey club, very ably discharged the duties of toastmaster.
At the conclusion of the banquet proper a presentation was made to the members of the team by Dr. Crowder, the honorary president of the club. The presentation included a sweater coat to each of the seventeen players who have played with the team. The music for the evening was provided by William Saunders, a general fiddler of the town, and also by well-known local musician, Thomas Howley, assisted by the members of the Mountain Troupe.
Mr. Saunders is a permanent resident of Hornby, who recalls many happy associations of forty years ago. His old-time music has been given in honor of the occasion.
—Champion.
