Ministerial Association

CLOSING MEETING AND FAREWELL LUNCHEON TO DR. DICKIE

The last meeting of the season in connection with the Ministerial Association of Georgetown and district took place at a luncheon, to be held at the residence of Dr. Dickie, on Monday, May 13th, at 7:30 p.m. The Rev. Dr. Dickie, who is leaving for his new duties at Elora, Luncheon was served at 7:30 p.m. in the Baptist Sunday School building in the unavoidable absence of the President (Mr. Smith) through quarantine restrictions, the chair was taken by the Rev. Kenneth MacLean (the President).

Mr. MacLean announced that the programme would be the form of "The King" and first the toast of "The King" was sung with mutual honour. The Ministerial Association then sang the next toast, which was proposed by the Chairman, who spoke of the very high value of such an association when all the ministers can meet on common ground, and work side by side for the building up of the kingdom of God here upon earth.

The next toast—"The churches" was proposed by the Rev. A. C. Stewart, who spoke of the close relationship that should exist and does exist in many places, between the various denominations. The Rev. Dr. Dickie, the speaker, stood for the best and the highest in the town. The commercial life, the intellectual life, all profited by the churches in the community. The Church is accomplishing work for every walk in life, she trains men and women for all the professions and develops leaders of the right kind for medicine, law, the ministry, etc.

The Rev. H. W. A. Brand, Campbellville, in replying to this toast, spoke especially of the country churches, which he said was a very fruitful field. Individuals can be really touched in the intimate contact in the country churches and some fine characters have been produced. The speaker then spoke of the contact of the small churches. At this juncture the delightful piano-forte was given by Mr. Charlie Kirk, which received a well deserved encore.

The Rev. N. D. MacKinnon, Norval, was next called upon to propose the toast of "Our Guests," which he did in a very pleasing way. Dr. Dickie was born near Truro, N. S., said Mr. MacKinnon, and after taking his arts course at Dalhousie University, went to Princeton University, where he graduated. He spent one year at Cambridge University, one year in Edinburgh and after some time spent in Paris, France, took his M.A. degree in Chicago, and wrote his D.D. degree at Cambridge. His first charge was at Summerside, P.E.I., then Windsor, N. S., afterwards he came to Woodstock, followed on to Oncharm and then went out to Edmonston, from which city he came to Georgetown four years ago.

The speaker was glad that Dr. Dickie was only moving a short distance this time and wished him every blessing in his new charge at Elora. Mr. MacKinnon also paid a high tribute to Mrs. Dickie, and called upon the Rev. Dr. H. W. A. Brand to say a few words formally proposing the toast. Mr. Brand on behalf of the association presented a lovely sprig of flowers to Mrs. Dickie, which Mrs. Dickie very suitably acknowledged, thanking the association for their great kindness to her and to Dr. Dickie.

Dr. Dickie in replying to the toast, thanked the members for their splendid presence and for their very kind wishes. He said that two or three things always encouraged him in his ministry, no matter where his sphere of work may be. First he always remembered, that all true service has the element of Universality in it. Secondly, that all true service has the element of Universality in it. Every word, every deed has a tremendous power for good, or otherwise. Thirdly, that all true service has the element of Immortality in it. Truth cannot die, cannot be put down. We can do nothing against the truth, but for the truth, said St. Paul quite truly. Goodness and truth are immortal so we should go on patiently with our work, with our task whatever it may be. Dr. Dickie spoke his deep appreciation of the kindness of the association, and of the work being done in drawing the members closer together for the cause of Christ and His Kingdom.

The Rev. Dr. MacVicar, Inglewood, spoke very happily and wished Dr. and Mrs. Dickie "God speed." The Rev. H. Caldwell, Limehouse, also spoke very highly of Dr. and Mrs. Dickie and wished them every blessing in their new work.

Letters were read from the President and others regretting their inability to be present. The Rev. A. Stewart moved that a hearty vote of thanks be tendered to the members of the Baptist Church and especially the Ladies for the splendid luncheon they had provided. This was seconded by Dr. Dickie and carried unanimously.

The chairman spoke a few words in conclusion and asked Dr. Dickie to close with prayer, thus bringing a very delightful gathering to a close.

SCOUT NEWS

Cubs "Crossed the Line." Following the ceremony the Guides, the Brownies, the Scouts and for England. Two Guides, Miss Hale and Saunders gave a sketch which was very good.

Killed in Crash With Radial

JOHN McVICAR LOSES LIFE—JAS. McCLURE SERIOUSLY INJURED

One man was instantly killed and another seriously injured when the automobile in which they were riding was struck by a C.M.R. radial car, as it crossed on 22nd sideway, about a half-mile west of Limehouse about two o'clock Tuesday afternoon.

The wrecked car was left in the ditch at the north end of the radial road when rescuers arrived on the scene they found MacVicar and McClure lying on the ground. MacVicar was found to have a fractured skull and Chief W. G. Marshall of Georgetown, who investigated, was of the opinion that the man struck his head on a hydro pole when the impact sent him flying through the air.

The motorist on the radial car, George Dobson of Toronto, said he did not see the radial car until it was almost upon it. The radial car was travelling at the usual rate of speed. The driver of the crossing car was believed to have started the fog in preventing a "clear" view of the crossing, but it is believed MacVicar had his attention attracted elsewhere immediately before the accident.

MacVicar is survived by a widow and one son. He was well known throughout the county in his capacity of superintendent of roads for Peel, Halton, York, and Dufferin. McClure is roads superintendent in Esquesing Township.

BUSINESS MEN MET

Will Hold Annual Picnic in Georgetown on Civic Holiday—Debate on Prize for Composition

The regular monthly meeting of Georgetown Business Men's Association took place in the Water-works Building last week.

President A. J. O'Neill occupied the chair and there was a good attendance. Mr. Angus Duncan addressed the meeting and proposed that the annual picnic be held on June 3rd. A grant of \$10.00 was made towards making the same a success.

The speaker then spoke of the expenditure of \$30.00 on the old booth building that is in the hands of the Water-works Club and open to speakers within a radius of ten miles of Georgetown, who have to attend to the entrance and exit exams and under 25 years of age. Subject and place to be announced later.

OBITUARY

MRS. JOSEPH WEAVER

After a short illness another respected citizen passed away in the person of Mrs. Joseph Weaver, wife of Joseph Weaver. Deceased came from Yorkshire, England, in 1811 and settled on a farm a mile north of Glen Williams where she resided until her death. She was a member of the Anglican Church where she will be much missed among her many circle friends. She leaves to mourn her loss a husband, one son and three daughters all at home. The remains were interred in Glen Williams cemetery on Saturday last when the Rev. Mr. Wase conducted the service. The survivors were: A. Keele, J. Hancock, W. Rutledge, Geo. Allen, A. Irving, and J. Irving, Jr. There were many beautiful floral tributes.
