ORANGEMEN AND TRUE BLUES

ATTEND SERVICE AT UNITED CHURCH—SPLendid SERMON BY REV. DR. DICKIE

The members of L.O.J. No. 245, True Blues and visiting brethren from Glenora, Hornby and Stewarttown, attended service at the United Church on Sunday evening. The members from the Lodge rooms headed by the Rev. Dr. Dickie, who were warmly welcomed by the Minister, Rev. Dr. Dickie, and joined with the congregation in Divine worship.

The sermon was based on Luke 11:16. "Ought not this woman, being a daughter of Abraham, whom Satan hath bound, almost eight years, to be loosed from this bond on the Sabbath day?" Apparently Jesus assigned as the reason for his coming to this fact that she was a daughter of Abraham, a country woman of His own. It was with this fact in mind that He had to say to his case that she was a daughter of Abraham. There again Jesus was moved by the patriotic sentiment which the Jews had for their own people. He had to say to his case that she was a daughter of Abraham. There again Jesus was moved by the patriotic sentiment which the Jews had for their own people.

The second way in which patriotic sentiment affected Jesus was: it filled His mind with indignation and while He was in the temple He said to the children of Abraham before His eyes. This was the case of the woman of the text. Jesus was not the mild character that we often take Him for. He was a man of great indignation. It is not always wrong to be angry. "Be angry, and sin not," says the Bible, and where there are influences, whether of men or of situations, which are doing wrong, it is Christlike to view them with indignation and to seek to subvert and overcome them.

The third and most important lesson which we learn from the text is that Jesus, when He saw His fellow-countrymen oppressed and injured, led Him to put forth His power to subvert and overcome the oppressor. But here you may think we cannot follow Him, because He had the power of God. But did He ever get to the bottom in your own minds of that singular saying with which Christ parted from the disciples who were leaving this world? "The works," He said, "that I do shall ye do also and because I go to My Father." What greater work can we do than He did? He said, "I go to My Father." What greater work can we do than He did? He said, "I go to My Father." What greater work can we do than He did? He said, "I go to My Father."

Normal Citizens in Motor Accident

ALL ENGAGED WITH SLIGHT INJURY

The supply of electricity was cut off in Brampton on Friday last for an hour and a half through the snapping of a Hydro pole, struck by a motor car in an accident occurring on Centre Road about a mile south of the town.

The accident itself was a most unusual and spectacular one. A motor car, going south on Provincial Highway 7, driven by A. H. Patterson, of Echo Place, near Bradford, it is alleged, veered to the west side of the highway, striking a car travelling north and driven by Hugh Clark of Norval, resulting in both cars taking to the ditch. They were driven by Clark, and occupied by three women passengers, Mrs. Warklin, her daughter, and another woman. The car struck the Hydro pole, snapping it at the base and causing the live wires to fall into the ditch. They lighted on the Clark car in a shower of sparks, endangering the lives of several of the occupants who were pinned helplessly in the auto.

ST. GEORGE'S CHURCH

INSPIRING ADDRESS WAS GIVEN BY THE DEAN OF NIAGARA

At the regular Sunday evening service on June 23rd, the Very Rev. L. W. Broome, M.A., D.D., Rector of Christ's Church Cathedral, Hamilton, and Dean of the Diocese of Niagara, gave a very helpful and encouraging address to a good congregation. The Dean took for his text Philippians 1:27, "Only let your manner of life be as becomes the gospel of Christ; stand fast in one spirit, with one mind striving together for the faith of the Gospel."

"Philippi," said the Dean, "was a Roman Colony—that is, they were amenable only to the laws of Rome, and not to the local laws of the Province where they were situated. Local customs, local laws, did not affect them in any way, they looked to the Imperial City for guidance and direction in all their manner, or mode of living, and so we as Christians are amenable only to the laws of Heaven. We look to Jerusalem which is above, and which is the Mother of us all, for guidance and direction in our manner or mode of living. Each of us is a Roman Colony, therefore is an 'outpost' of the Kingdom of Heaven. We are members of a Divine Society, and we have to stand fast—stand firm like an army united by one Spirit, and with one mind striving together for the faith of the Gospel." Each little Roman Colony must put forth every effort, must strain every nerve like athletes on a team to pull together for the sake of the Gospel. The honour of the team is at stake, so we must all pull together, there must be no slackers, in any Christian Colony.
