WARNING! to Motor Car Drivers CARRY YOUR LICENSES

THE Highway Traffic Act requires that every person operating a motor vehicle shall secure an operator's or chauffeur license and shall at all times while driving carry same. A penalty is provided for failure to produce such licenses when demanded by an officer.

It is necessary, owing to the number of motorists who persist in driving without licenses, that the police be instructed to require the production of these licenses from time to time.

This law has been passed in the interests of safe driving and to prevent incompetent persons from operating motor vehicles. The production of a license is the only proof of ownership of one.

Carry yours at all times and avoid inconvenience and prosecution.

Ontario Department of Highways
The Hon. Geo. S. Henry, Minister.

IDEAL WEATHER—LARGE CROWD—BIGGER AND BETTER THAN EVER
Fine weather, a large and enthusiastic crowd and keen competition in every event, met the efforts of the Georgetown Business Men's Association in staging their fourth annual picnic. Bigger than usual and better than ever, was the general comment of contestants greeted every event and owing to this fact many of them had to be turned off in several places before declaring a winner. The big day opened at 10 a.m. with a Juvenile Softball game between Top Street and Queen Street, the former winning by a score of 18-5. College boys then defeated Top Street 7 to 5. The winners were declared winners of the tournament.

Man of Good Heart Honored by Statue

Father Albert Lacombe, of the Missionary Order of the Order of the Immaculate, whose name is part of the history of Western Canada, so impressed his Indian friends by his devotion, his sincerity and his zeal that they called him "The Man of the Good Heart." Father Lacombe left Montreal in 1840 and set out for his mission in 1841 and thus began a career of 27 years service in his chosen calling. In 1867 Father Lacombe was called to St. Albert, a community nine miles from Edmonton on the Athabasca branch of the Canadian National Railway. There he died almost a nonconformist and there his body rests. Now the Old Timers Association of Alberta has obtained the funds for a statue to this wonderful pioneer and it will soon be formally unveiled. The structure shown above is the first statue built by Father Lacombe in 1861 and it afterwards became the first cathedral in St. Albert. This great cathedral is being taken over by the Historic Monuments Commission and will become a memorial of the early west.

SOFTBALL NEWS

GEORGETOWN GIRLS WIN AGAIN
A large number from town accompanied the girls' softball team to Brampton last Thursday night when the local outfit played, out best and out-scored the members of Grace Church Softball team. The snappy play of the ladies and the skillful batting of Edith Davis, catcher, was too much for the home team and the visitors lost. The home team won 15-12. Last Friday night a softball team of Brampton girls journeyed to Georgetown and they were treated in practically the same manner as the team in the previous game. Our local girls are making a fine showing and should have the support of everyone.

The Sportsman's Paradise
PROTECT IT AGAINST FIRE

Green forests ensure an even flow of clear running water; burned timber means muddy torrents in flood time and stagnant pools in dry weather.

The good sportsman, in his own interest, is careful with fire in the woods.
