SAFETY **ECONOM** 

Tune in Voice of Firestone" Monday Night, 7 p.m. day Standard Time

THINK of what a tire must be to have won every International Championship for the past ten years-to hold the fastest speed record ever made on a motor vehicle from Coast to Coast-to have won the Endurance test record of 30,000 miles in 26,326 minutes -and to lead all other tires in the world in mileage records on taxicabe, trucks, buses and owners' cars everywhere!

So commanding is the leadership achieved by Firestone in the pionecring and development of tire engineering, that all world records for mileage, safety, economy and endurance are held by Firestone Gum-Dipped Tires.

You pay nothing for this extra endurance-extra safety -extra economy-extra mileage that only Firestone Gum-Dipped Tires can give you.
