

There's only one way to get BIG SIX quality without paying big six price-

THERE'S no longer any reason why you shouldn't be in the big six class... because there's no longer any reason why you should pay the usual big six price.

The Earth Quaked HOURS TREMBLED IN THE MIDST OF UNUSUAL HAPPENING At 8:22 o'clock on Monday morning...

Reeve McIntyre was one of the many who experienced the peculiar phenomena, as he saw things about him moving back and forth...

At the Golf Club the tremor was so distinct that dishes were heard to rattle, and at the Golf Club Manager's house the shock was very real.

Mr. Kirk, ex-chairman of the school board, was standing before the dresser in his study when the tremor clearly moved toward him...

Major Ornt, who at the time was sleeping the "sleep of the just" arose at his usual hour and was surprised to hear what had happened.

Dr. P. L. Heath, who was awakened by the shaking of his bed and the evident moving about of objects in his and adjoining rooms.

Mr. W. C. McKay, pioneer merchant, when asked whether he had felt the quake, replied: "Sure I did."

While the visible disturbance lasted for but a few seconds, the seismograph in the Toronto Observatory recorded the earth tremors for fully twenty minutes.

They occurred also in various points in Ontario, north and west, and were especially noticeable in New York State.

Mr. W. C. McKay, pioneer merchant, when asked whether he had felt the quake, replied: "Sure I did."
