OBITUARY

THOMAS F. BELLISLE

The Toronto Star of last evening contains the following regarding the death of Tommy Bellisle an old Georgetown boy and son of the late Joseph Bellisle for many years a respected citizen of Georgetown:—

"A promising business career was cut off with startling suddenness on Sunday morning by the death from heart disease of Thos. F. Bellisle of 78 Chudleigh Ave.

Tommy Bellisle, as he was affectionately known by a wide circle of friends, was in his 34th year, and had spent practically his entire business career with the firm of Cutten and Foster, where he had advanced to a responsible executive position. He was highly regarded both for his lovable personal qualities and his business ability.

He was particularly active in affairs of the Automotive Equipment Association, and was past president of the Canadian Auxiliary. His association work and business connection brought him into intimate contact with the heads of the motor accessory and equipment manufacturers in the United States and Canada.

Particularly happy in his home life, Mr. Bellisle leaves a widow and two infant children. His immediate family includes two sisters, Miss Margaret of Toronto and Mrs. Edgar Tryhorn of Montreal, and two brothers, Rev. H. S. Bellisle of St. Michael's College and Edward Bellisle of Cutten and Foster.

The funeral will be held from St. Francis church, Grace St., Tuesday at 9.15 and interment will be at Mount Hope cemetery."

MASONS AT CHURCH

MEMBERS OF CREDIT LODGE ENJOY SPLENDID SERMON BY REV. A. N. FRITH

Worshipful Master W. T. Evans, Officers and members of Credit Lodge A.F. & A.M. and visiting brethern attended divine service in the Baptist Church on Sunday evening when Rev. Mr. Frith pastor of the church delivered a splendid sermon which was much enjoyed and appreciated.

The choir for the occasion was all male voices, members of the Order, and Mr. A. Black sang a solo during the service. In the anthem "O Rest in the Lord," Mr. W. B. Bradley assisted.

Rev. A. N. Frith's sermon was on "The Golden Rule of Building" based on a passage in 1 Corinthians 14:26, "Let all things be done unto edification—or with a view to building up.

The text has a value of, 1st A rule of life. It is a life policy—a standard of excellence—a compass—a guiding star. A persons actions and conduct should have a constructive value. The great apostle declared he made this principle for his empire—"All things are lawful to me—but all things edify not." He wished his friends in Corinth to estimate their customs by this standard. Let everything be weighed in the scales of constructiveness. Their worth will be according to their use in building character. It is by this principle every good enterprise is promoted and built up.

II—The text has the value of suggesting a programme of life—God has revealed His work and purpose as building for his habitation, and man has the privilege of being a fellow-worker with God and dwelling with him. The structure is sometimes an altar-as with the Patriarch Abraham custom was to pitch his tent and build an altar. John called upon the people of his day to build a highway in preparation for the coming of the King, but the finest conception of the structure in process of erection is given by St. Paul when he describes the whole human family as being built into a spiritual temple for a habitation of God's

III—The tent in its setting indicates the power by this work is being done and will be completed. Not by the sword, nor by silver and gold, nor by knowledge, but by the love incarnated in Jesus. The great ideals revealed in him, God's Fatherhood, man's priceless worth. The way of forgiveness, a glorious immortality are changing human life. Not by might, nor by power, but by the spirit of Love—the work is done. "Knowledge puffeth up but love buildeth up. "The word of His Grace is able to build you up."

Souls are built as temples are—
Based on truth's eternal law,
Sure and steadfast, without flaw,
Through the sunshine, through the snows,
Up and on the building goes;
Every fair thing finds its place,
Every hard thing lends a grace,
Every hand may make or mar.

Seynuck Valley Oil Company Ltd.

(NO PERSONAL LIABILITY)

Incorporated by Letters Patent Under The Ontario Companies Act—Authorized Capital $500,000

$1.00 PAR VALUE

Pres., Tony Seynuck Vice-Pres., F. J. Sparham

DIRECTORS

R. P. Smith, B. A. W. M. Nesbitt M. SEYNUCK, Se.-Treas.

The properties of the Seynuck Valley Oil Company, Limited, are located near Acton, Ontario, in the area of the Dolomite Limestone formation of the Province, and already consist of a block of about 3,516 acres, under Option and Lease. It is this formation, which has proved so productive of oil and gas, in the Turner Valley and other places.

The Seynuck Valley Oil Company, Limited, have acquired the Drilling Rig equipment, Leases, Options, Properties and Holdings of the The Suburban Oil and Gas Syndicate, of Acton, Ontario, which has been intensively developing this property, during the past twelve months. Last year, a large Standard Drilling Rig was installed on this property, and drilling commenced. On January 24th, last, when a depth of 1,970 feet was attained, a large volume of gas was struck, and has been flowing continuously, since that time.

This showing of gas and rock structure is recommended by Geologists to be a good indication of a large gas field, in this locality. No. 1 Well, however, was not capped, with a view to utilizing gas for commerical purposes, but drilling for oil was proceeded with, and, at the present time No. 1 Well has been sunk to a depth of 2628 feet.

It is the intention of the Seynuck Valley Oil Company, Limited, to re-commence forwith, drilling operations, which has been temporarily discontinued during incorporation, and to sink additional wells to develop this promising oil and gas field.

The splendid propects of and the advanced development of the oil and gas field of the Seynuck Valley Oil Company, Limited, recommends the shares as an unusual opportunity for speculative investment.
