OBITUARY

SAMUEL McDOWELL

Samuel McDowell, 85 years old, tenth line, Trafalgar Township, died at his home last Friday following a lingering illness of two years' duration. Born in County Antrim, Ireland, Mr. McDowell came to Canada at the age of 21. For the last 40 years he had resided on the farm where he died. A member of the Streetsville Presbyterian church, he had always taken active part in its activities. Surviving are his widow, formerly Miss Margaret McKeigh, two daughters, Mrs. John Devlin, Milton, and Mrs. David Bitrritt, Norval; two sons, Robert and Elmer, on the homestead, and seven brothers and three sisters.—Milton Reformer.

NORVAL

The meeting of the Norval United Church Young People on Monday night opened with hymn 299. Mr. Pomery read the scripture lesson followed with prayer by Rev. Mr. MacKinnon. Minutes of last meeting were read and adopted and a business discussion followed. The roll was then called. Mrs. Guy Wilson, Missionary Vice-Pres. took the chair and the following program was given. Hymn 426. Piano number was given. Hymn 426. Piano number by Master Lloyd Hustler. Recitation by Mrs. H. Lyons followed by a few words by Rev. Mr. MacKinnon in connection with the recitation given by Mrs. Lyons. Missionary paper, Mr. Dan Wey. Piano number Miss Bertha Barnes. Missionary topic, Mr. Roy Pomeroy. Solo, by Mrs. C. Rankine. Reading by Mr. George Bull. Reading by Miss Florence McLaughlin. Hymn 410 and benediction closed the meeting.

On Wednesday evening, December 18, in spite of the unfavourable weather a large and appreciative audience gathered in the schoolroom of the Presbyterian Church in Norval. It was the children's night and the program put on by the members of the Sunday School was effective and interesting. The musical part of the program, in which the children had been trained by Miss Margaret Russell and Miss Luella Reid, was particularly good.

At the close of the program Mrs. S. D. McClure, who has for several years been the organist of the Norval Presbyterian Church, was called to the platform and the following address was read by Mrs. John Clark.

Dear Mrs. McClure:

Towards the end of the year it is our privilege to meet again to exchange good wishes and Christmas greetings. As a congregation we feel that this past year has been one of the happiest and most prosperous of our congregational life.

Sunday after Sunday we have met for service in this beautiful old church and have listened with much appreciation to eloquent sermons and appealing music. As our organist, you have been so faithful and devoted to your task that we cannot let another year pass without expressing our pleasure and our gratitude to you.

We ask you to accept this lamp and may it shed as true a light in your home as you have been to our church. We extend best Christmas greetings.

Signd on behalf of the congregation of Norval Presbyterian Church
J. L. Clark.
J. B. McClure.
W. G. McClure.
Albert Hunter.

Mrs. McClure responded with an appreciative speech and the audience joined heartily in singing "She's a jolly good fellow."

Then Santa Claus took possession of the stage and distributed presents to young and old in his usual inimitable style, and a very happy and enjoyable evening came to an end. We regret to hear that some of the folks did not enjoy their trip home any too well but all were fortunate enough to reach there uninjured some time through the night.

AN OCTOGENARIAN ANNIVERSARY

One of the best preserved elderly ladies resident in Acton is Mrs. Thomas Statham, Church Street, who has lived in Acton for between forty and fifty years. On Saturday she reached her eighty-fifth birthday, and was "at home" to numerous friends, receiving them and accepting their congratulations with much pleasure. She was assisted by her daughter, Mrs. George Edwards, and Mrs. George Ritchie served tea and birthday cake.

The occasion was a happy one indeed. The affectionate greetings of the homecomers; the interesting reminiscences by Mrs. Statham covering her long life in Acton, Georgetown and Toronto; and the cordial congratulations expressed in person, and sent by mail and wire.

Exactly six years ago last Sunday her husband passed away. Their golden wedding anniversary was celebrated thirteen years ago.

In addition to the family in Acton, the following guests participated in the octogenarian birthday party: Mr. W. J. Statham, London; Mr. and Mrs. E. Statham, Brantford; Mrs. Gordon Statham, Guelph; Mrs. Stanley Statham, Fergus; Mr. J. I. Charlton, Gordon and Claude, Amarillo, Texas; Mrs. George Campbell and Miss Luena Campbell of Georgetown; Mrs. George Statham and Miss Lizzie Sloane; Mr. and Mrs. Spencer Husband; Mr. and Mrs. Wm. McArthur; Mr. and Mrs. George Ritchie and Mary; Misses Emma Robinson and Pearl Wallace.—Free Press.

Rt. Hon. W. L. Mackenzie King Prime Minister of Canada, celebrated his 55th birthday on Tuesday, December 17th.

ERIN

Mr. Thomas McClure, of Georgetown was a Sunday visitor with Erin friends.

Mr. and Mrs. W. F. McEnery entertained a number of young people to a social evening, at their home on Friday evening last, when a pleasant time was spent by all.

We are sorry to report that Mr. James Long is quite seriously ill, and trust he may make a speedy recovery.

Miss Margaret Bingham, of Georgetown is spending her holiday with her parents Mr. and Mrs. W. R. Bingham.

The town hall, Erin, was the scene of a happy gathering on Friday evening of last week, when the Uno Club and friends of the bride-to-be, Miss Violet Marshall, assembled to present her with a miscellaneous shower, on the eve of her marriage. With Mr. J. H. Gibson in the chair, Miss Marion Cameron presented Miss Marshall with the gifts which were numerous and beautiful. Mr. Cheyne on behalf of Miss Marshall, replied thanking all for the beautiful gifts. A dainty lunch was served after which a pleasant evening was spent in dancing to music by Cepringe and Cedarvale Orchestra. —Advocate.

STEWARTTOWN

On Thursday last one of the nicest concerts that has ever taken place in the Esquesing Township hall, Stewarttown, was held under the auspices of the Public and Sunday Schools.

At 6.15 p.m. lunch was served to the children and the program began two hours later. Rev. R. S. Boyd was the chairman for the evening. Under the direction of Miss McKay and Mrs. Baily, pianist, a pretty musical fantasy and a folk dance were put on. The children took their parts very well but to Miss Thompson belongs the credit for the wonderful costumes. Mrs. Boyd kept the audience well pleased with two enjoyable readings. When the children appeared on the stage for two choruses they were all dressed in the costumes they had used during the evening. Following a pretty dance by Miss Ayes and Charlie McLean, a play "Mix Well and Stir" was presented by the following young people: Breatrice Standish, Mary Jenkinson, Sarah Standish, Mrs. F. Jenkinson, Mary Standish, Jack Brown, Ross Thompson, Ed. Sanford, Bill Bonathan, Sam Millsham and Bob Harris. Santa Claus distributed the presents from the well filled Christmas tree. The Orangemen of L.O.L. No. 68 Stwartown contributed to the enjoyment of the evening by presenting the children with oranges and candies. The concert ended with the singing of the National Anthem.

BALLINAFAD

The December meeting of the W.M.S. was held Tuesday afternoon the 17th at the manse. The meeting opened with the usual exercises and the following officers were elected for 1930. Miss J. Shortill, president, Mrs. Aitken, 1st vice- pres. Mrs. W. McEnery, 2nd vice-pres.; secretary, Mrs. Jas. Kirkwood; Treasurer, Mrs. Robert McEnery; Christian Stewardship and Finance Sec., Mrs. F. W. Shortill; Supply Sec., Mrs. McKechnie; Miss B. Hillis, Associate Helpers Sec.; Mrs. Vannatter, Baby Band Sec.; Temperance Sec. Mrs. Beswick; M. M. Sec., Mrs. D. Ferguson; Organist, Mrs. Vannatter; Assistant, Miss P. McEnery.

The important part of the meeting was in presenting Mrs. John McKechnie with a life members certificate and pin by Miss E. McKay. The following address was read by Miss B. Hillis:

Dear Mrs. McKechnie:

We have met this afternoon for a two-fold purpose. In the former part of our meeting we have taken both a forward and a backward look. The backward look in reviewing the work we have accomplished during the year 1929 which is almost gone, the forward look into the new year which we hope by God's grace to attempt even greater things for the Master whom we love to serve.

But ere we close our years work we wish to honor one who has given many years of faithful service to this department of our church work, and so we take this opportunity of expressing our appreciation of the faithful service which you have rendered in the W.M.S.

We would ask you to accept this life Member's Certificate and pin, not as a reward, your reward is of a higher nature, but as a slight acknowledgement of the services you have always so willingly rendered. May the Lord bless you and keep you is our prayer.

Signed on gehalf of the W.M.S. members and friends—Miss J. Shortfil, President.

SMASH ON RADIAL AT NORVAL

THREE OF CREW SERIOUSLY INJURED—PASSENGERS ESCAPE FAIRLY WELL

About noon on Thursday last a radial passenger car and snow plough met head-on, on the Canadian National Electric Railway a few hundred feet this side of the trestle work over the west branch of the Credit near Norval.

The three seriously injured were: F. R. Fowle, 580 Willard Ave., Toronto, superintendent of the Guelph division of the C.N.R. Radials, concussion, and possible internal injuries; Alfred Williamson, Acton, conductor, fracture of right arm and injury to the hip; Edwin Dobson, 192 Fairview Ave., Toronto, conductor, injury to the right hip and abrasions of the face.

Passengers slightly injured were: W. Bruce, Acton; Miss Edith Crompton, Norval; Miss Jean Nixon, Norval; Rev. D. MacDonald, Norval; H. C. Christie, Toronto; R. J. McIlath, Toronto.

The three members of the crews slightly hurt but able to proceed to their homes were: W. Hodge, Weston, lineman; F. J. Clark, 158 Annette St., Toronto, motorman; G. Dobson, Acton, motorman.

Sweeping around two curves at either end of a short straight-away the car and plow crashed into each other, the front of the passenger car rearing up like a spirited horse when it left the front trucks and coming to rest after it had telescoped the super-structure of the snow plow. A huge gaping hole was torn in the front of the radial, the smoking compartment wrecked and most of the windows in the front half of the car were broken. The heavy radial leaned to one side and was only prevented from rolling into the ditch by one of the heavy poles supporting the overhead wires.

Had the crash taken place five pole lengths to the westward, the radial would have been hurled over the trestle bridge into a ravine 75 feet below.

The accident happened close by the farm of James Russell where the injured were taken. Drs. Williams and McAllister, of Georgetown were called. Mrs. J. Hunter who was a trained nurse, and Mr. H. T. King a trained first aid man assisted the doctors.

The home of James Russell was turned into a hospital immediately after the accident happened. The two attending physicians and their assistants did noble work in attending to the injured and arranging for their removal to hospitals, or to their destination.

Mrs. Russell did all in her power to make the injured comfortable and served them and the waiting passengers with food and warm drinks.

Later—Superintendent Fowlie, who was the most seriously injured is now improving nicely. Rev. McDonald of Norval is confined to his bed with a sprained knee, but hopes to be around shortly.

ACTON

The funeral of the late Charles E. Akins, who passed away so suddenly last week was held in Acton last Friday afternoon.

Mrs. A. G. Clarridge was called to Toronto, last week owing to the illness of her sister, Mrs. McBride, who passed away on Friday.

The new arena opened for the first time for the skaters and hockey players on Tuesday evening, and is being made full use of. The regular hockey practice hours seem to be bringing out plenty of hockey talent which should develop into a couple of good teams when they make their appearance in the first scheduled games.

Mr. Peter Smith who has always shown a practical interest in the hockey and curling clubs of Acton and our neighboring town, Georgetown, will this year make a presentation which will do much to encourage the friendly competition between these two towns. He is donating two splendid silver cups either of which will be an ornament to the club winning them. They are for yearly competition between the curling clubs of Acton and Georgetown and the junior hockey clubs of these two towns. They are trophies that will be striven for by both clubs and promote much friendly rivalry and do much to maintain keen interest in these activities in both towns. Mr. Smith will have the appreciation of all the clubs for his kindly interest.—Free Press.
