

Ottawa Derby Winner

Emil St. Godard, winner of the 100 mile dog derby held in connection with the Ottawa Winter Carnival, with the Chateau Laurier Gold Challenge Trophy which he won in addition to the prize of \$1,000. St. Godard's time for the course of approximately 100 miles was 8 hours 13 minutes 23 seconds, creating a world's record for the 100 mile course. Earle Brydges, of Cranberry Portage, was second place from the famous Alaskan musher, Leonard Seppala, by a scant 28 seconds. Canadian National Railways Photograph.

BRIEFES

DEVRIES—In requesting on Monday, Feb. 17th, 1930, to Mr. and Mrs. I. DeVries, a son, 1930.

DEATHS

SINCLAIR—In Erin Township, Lot 2, Concession 10, Ballinast, on Monday, February 10, 1930, Mary Jane Swindelhurst, beloved wife of Duncan Sinclair, and mother of Mr. Fred Sinclair, Georgetown, in her 61st year.

ROBERTSON—At her home, lot 14, concession 3, Esplanade, on Thursday, February 6, 1930, Eliza Macleod, widow of the late John Robertson, in her 95th year.

OBITUARY

MRS. DUNCAN SINCLAIR
The many friends of the family were shocked at the sudden death of Mary Jane Swindelhurst, beloved wife of Duncan Sinclair, at the family residence, Lot 2, Erin Township, on Monday, February 10th, in her 61st year. Ill but two days, of pneumonia, she passed away suddenly. A daughter of the late Mr. and Mrs. Abraham Swindelhurst, she was born in Erin Township, and in November last was married in marriage with Duncan Sinclair. To this union were born eight children, one son predeceasing her, when quite young. She is survived by her bereaved husband; two sons, Frederick of Georgetown; Clayton, at home; five daughters: Carrie, Mrs. George, Erin; Tillie, Mrs. Jas. Davidson, Terra, Ont.; Ellen, Mrs. John Bruhn, New York; Mrs. F. J. Cummings, St. Catharines; and Sadie at home. She was a kind and loving wife and mother and a great lover of the home.

The funeral took place from the bereaved home on Wednesday, when her pastor, Rev. Geo. Aldren, of Ballinast, conducted the service in the presence of a large concourse of bereaved friends and neighbors, who assisted to pay their last respects to the deceased. Interment at Providence Cemetery, Ninth Line Erin. The pallbearers were John P. Stachar, Wm. Kirkwood, Sr., Gilbert Stachar, John McDowell, David McKelvey, Malcolm Sinclair.

NEARLY FIFTY PER CENT INCREASE IN SUN LIFE BUSINESS

It is only four years since for the first time in the history of the insurance industry in Canada, a Canadian company was able to announce over a million dollars of assurance in force. This event was properly celebrated by the company in question, the Sun Life Insurance Company of Canada, and evoked much gratified comment from public men, financiers and business men, as well as creating general satisfaction among the Canadian public. It was regarded as a signal achievement in a little more than fifty years of that company's history.

President Maclean says that occasion expressed confidence that the momentum then acquired would carry the company to even more surprising achievements in the next decade. But it is doubtful if even the President of the company, himself, who personifies confidence and optimism, could have foreseen that the second billion would be surpassed within four years. Yet this is what has happened. The annual report of the Sun Life Company published on page 4 of the Herald today shows that the total assurance now in force are close to two and a half billion, or \$2,500,000,000. Some idea of the magnitude of these figures may be gleaned from the fact that they exceed the total net national debt of the Dominion by more than \$100,000,000.

TOWN COUNCIL

AUDITOR'S REPORT SUBMITTED—NAMES OF THOSE OWING TOWN TO APPEAR IN REPORT—TOWN SOLICITORS APPOINTED

Georgetown, Feb. 15th, 1930
Council met at 8 p.m. with Mayor Macleod in the chair and councillors Becey, Cleave, Cummings, Pay, Davis, and Denison present.
Mr. Denison reported in regard to town solicitors recommending Lawson and Sturtham of Toronto.
Auditor Adams submitted the auditor's report.
Clerk was instructed to write Kelly A. Aldren of Orangeville, re back income tax of B. Stone.

It was moved by G. W. Davis and seconded by C. J. Cummings, That a committee consisting of the Mayor and Councilors Cleave and Denison be appointed to look into the recommendations of the auditor and being in a report to the Council.—Carried.
It was moved by W. G. Becey and seconded by C. J. Cummings, That the income tax of \$2675 appearing on the assessment roll—against R. R. Adams by mistake be written off the roll; also the amount of \$117 appearing by mistake against W. R. Parr be also written off the roll.—Carried.
It was moved by C. J. Cummings and seconded by L. F. Denison, That accounts receivable to the Town of Georgetown, at the close of the year books (December 31st, 1929), be included in Auditor's report.—Carried. Yeas, five; nays, none.
It was moved by L. F. Denison and seconded by H. Cleave, That Messrs. Lawson and Sturtham be employed as town solicitors and that they be requested to meet the Council on the evening of Feb. 20th at 8 p.m.—Carried. Council then adjourned.

LIMEHOUSE

The W.M.S. of Limehouse held their monthly meeting at the home of Rev. and Mrs. E. Macleod, Georgetown, on Monday evening, Feb. 18th. Mrs. Becey, Mrs. A. Lawson and Mrs. Osborne were the guests. Mrs. J. Newson favored the gathering with a piano selection and Mrs. A. Norton sang a solo, accompanied by Mrs. W. Macleod. The women's institute held a tea at the home of Mrs. Wm. Gowdy last evening. The tables were beautifully decorated and a delicious menu served. Musical numbers were rendered and a pleasant afternoon spent by all present.
Quite a number of our residents have their homes wired for Hydro. Limehouse hockey fans are sure giving Acton their support in following the games.

ONTARIO'S 15TH LEGISLATURE

Toronto, Feb. 13th, 1930.
Accompanied by the ancient British parliamentary custom, the first session of Ontario's 15th legislature was opened at Parliament Buildings, Toronto, on Feb. 5, by Hon. W. D. Ross, Lieutenant-Governor. After reviewing the military guards of the Royal Canadian Dragoons and the Royal Canadian Regiment, his Honor was escorted to the Legislature Chamber by Hon. G. Howard Ferguson, Prime Minister, following which the Prime Minister moved the opening of the session.
Thomas A. Kidd of Kingston, all Speaker. Crowded galleries witnessed the ceremony in the newly modified Chamber. The seating arrangement has been changed into the form of a horse-shoe, thus departing from the

custom of straight lines of benches. An innovation to the chamber this session is a system of loud-speakers which were installed with a view to improving the acoustic qualities of the chamber. Microphones are placed permanently on the desks of the Prime Minister, the Leaders of the Liberals and Progressives, the Speaker and the Clerk of the House. When other members are speaking microphones are placed on their desks.

In taking his seat as leader of the Government Premier Ferguson enters upon his twenty-sixth consecutive year as a member of the Ontario Legislature and holds the honour of "dean of the house." Next in line in order of seniority is Hon. E. A. Dunlop, North Grenville, who entered the House the same year as did Premier Ferguson but whose service has not continued.

Expressing rejoicing that His Majesty King George has sufficiently recovered his physical strength to resume his public activities, the speech from the Throne delivered by Hon. W. D. Ross, indicated many measures proposed by the government to better conditions throughout the province. Future requirements of power call for the utilization of the water power of Ontario in the St. Lawrence valley. The Government has been in conference with the Federal authorities with a view to facilitating this important undertaking.

Rapid progress was made last year in the extension of electrical services in the rural districts and Hon. W. D. Ross, while still greater advancement can be achieved by a modification of the cost of service. The House is to be asked to authorize the Hydro-Electric Power Commission to readjust the service charges to rural consumers and to advance plans for farm installations and permanent equipment. This step carries out Premier Ferguson's election promise of reducing hydro rates to the farmers together with loans to assist in installation.
The Research Foundation established some time ago, is giving special attention to agriculture which will prove to be one of its most valuable features. Increased general efficiency of both elementary and secondary schools is noted by the Department of Education, while school attendance has reached the highest point yet recorded in the province. Measures calculated to stimulate further phases of education are to be brought in.

Some 230 miles of permanent paving have been added to the Provincial Highway system while increased governmental assistance is to be given the transportation facilities in the rural section. The highways are to be renamed as "The King's Highway." Annual production of the mines is being advanced and the quality of the lignite deposits at Blacksmith Rapids are being advanced and improved.
Trunk roads through the northern sections of the province have been continued and a further appropriation will be proposed to carry on this work. Recent discoveries of valuable mineral deposits in Northern Ontario warrant further extension of the provincial railway towards James Bay. During the summer, rails will be laid up this new route in Canada to ensure the early completion of the route to James Bay.

A further step in the Government's interest in social welfare, the Royal Commission is at present investigating Hospitals, Charitable Institutions, Bodies of Children, Child Aid, and kindred matters to make suggestions for improvement and better operation of these important services.

A substantial surplus was reached by the government through a healthy condition of financing and the provincial credit has been noticeably enhanced. The Government will be able to meet the cost of the new roads, old and other fresh engagements without seeking new sources of revenue.

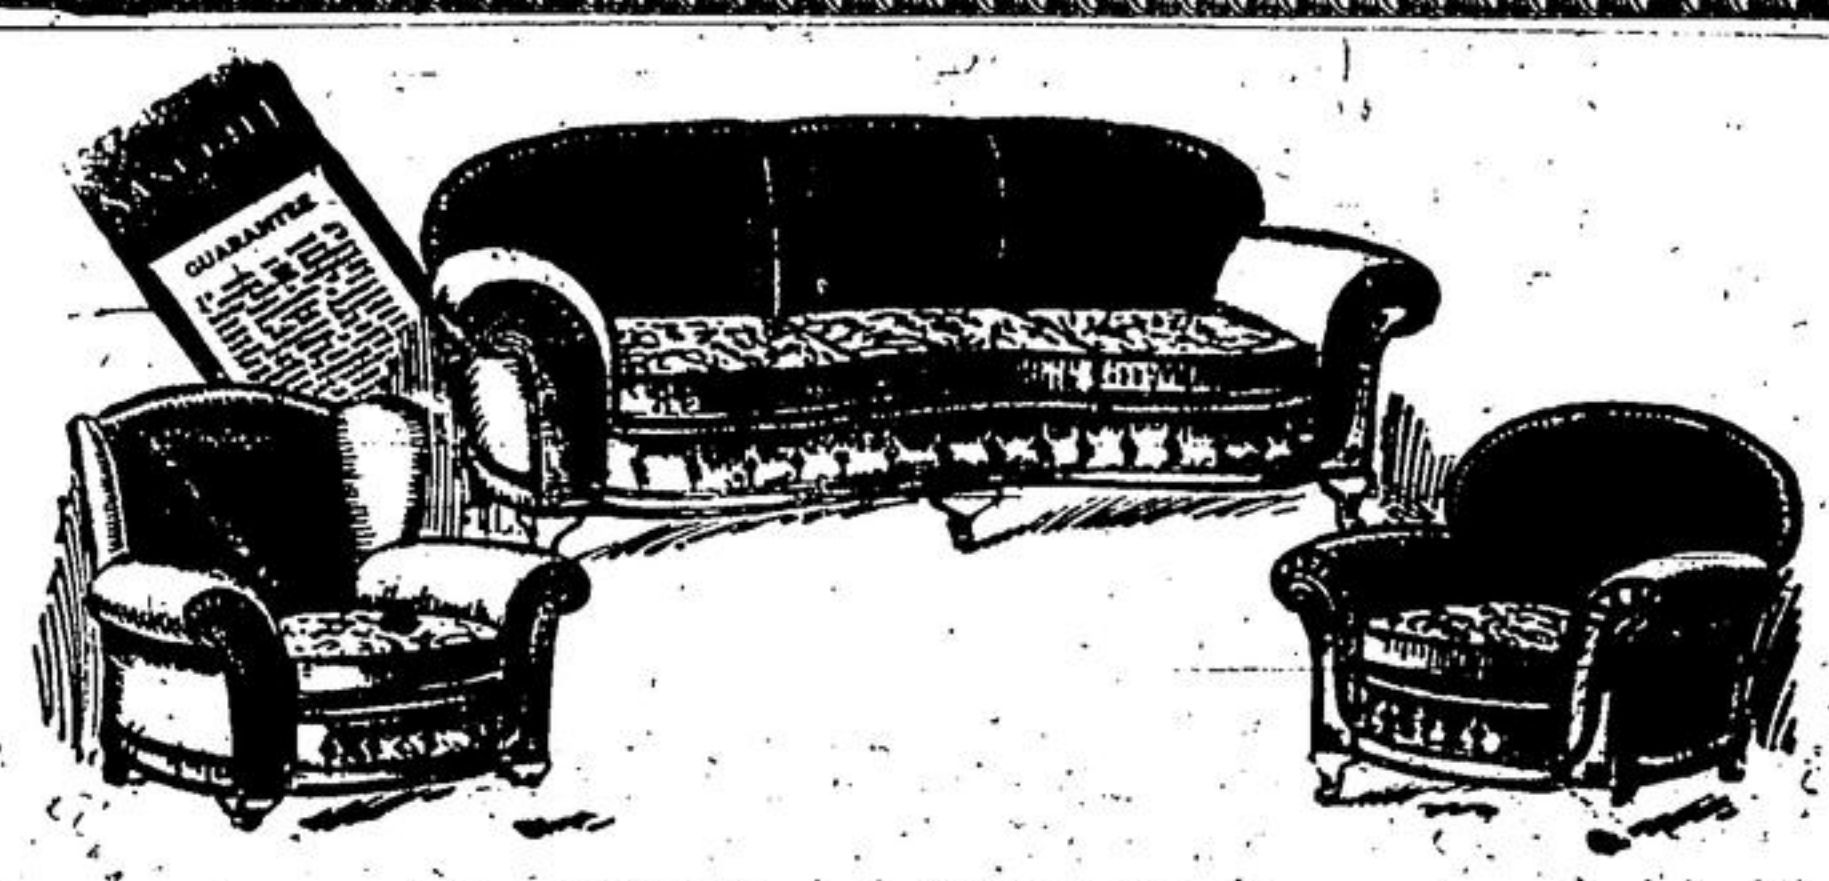

W. W. Staples, South Victoria, and A. W. Smith, South Essex, were the mover and seconder, respectively, of the address in reply to the speech, both being new members to the assembly.

Mr. Staples while eulogizing the great natural resources of the province, recognized the men, women and children as the greatest assets of all. The government, he said recognized its biggest job was in making men, and to this end it had placed on the statute books the Ontario Child Welfare Act, the first of its kind in Canada. He also suggested that the Government investigate industrial costs, which he felt for the small salaried men were too high.
Mr. Smith paid tribute to the Department of Public Health under the administration of Hon. Dr. Forbes Godfrey, which had carried to the remotest parts of the province health instruction by means of the efforts of public health nurses. He also mentioned the Health Department's activities in combating infantile paralysis through treatment of serum and 95 per cent of the cases had fully recovered.

Premier Ferguson introduced his promised increase of bounty from 1/2 cent to 1 cent per unit on iron ore, which the Prime Minister explained will stimulate development of a dormant industry. He stressed the importance of the steel industry to a nation's advancement, also increased employment, power, the Ontario plan, a leading part in the iron and steel industry in Canada. Of the \$50,000,000 invested in the industry in Canada, \$20,000,000 he said, is invested in Ontario. The total payroll in Canada in the industry is \$12,000,000 while Ontario has \$7,000,000 of this amount. The bounty, he said, will aid the industry in the production of the iron in bringing it to a higher standard.
The cost of this has placed Ontario in a position of being unable to compete with other States in Canada.
Others who spoke for the government on the second reading of the bill were Hon. James Lyons, Galt, St. Marie; A. V. Waters, North Oshana and Dr. J. M. Robb, Algoma; E. C. Tweed, South Waterloo, and Edward Hutchinson, Kenora, spoke for the Opposition. Hon. Harry C. Nixon, Progressive Leader, gave his support to the measure.

On the brokerage house situation, Mr. N. Sinclair, Liberal Leader, opened an attack upon Hon. W. F. Price, Attorney General, in dealing with a section of the Speech from the Throne which said the certain speculative practices that had been observed will be dealt with by further legislation. Mr. Sinclair turned his debate into a personal attack upon the Attorney-General, claiming that the Attorney-General's brother and brother-in-law were engaged in the business. The Attorney General was not present during the Liberal Leader's remarks, but when the House resumed the Attorney General made a spirited counter-attack upon Mr. Sinclair, declaring his methods "small" in generalizing remarks while the Attorney General was not present. Hon. Mr. Price denied that his brother and brother-in-law were engaged in the business and that he intended to prosecute where prosecutions are justified without fear or favour, and if his relatives come in the way of the law, they would have to look after themselves. Hon. Mr. Price's heated reply cleared the atmosphere from rumours that have been heard on the situation.

Hon. Mr. Price called a conference of representatives of all Attorneys General in Canada in an effort to coordinate the various provincial securities frauds acts. Recommendations covering the stock exchange situation will be made to the Dominion Government by a delegation of the provincial representatives that gathered at Queen's Park.

OUR ANNUAL CHESTERFIELD SALE!

FEB. 15th to Feb. 22nd

DO NOT OVERLOOK

purchasing a Mothproof Suite for your Living Room. NOW IS THE TIME

Beautiful Covers and Designs

We have a range of suites on our floor that have never before been equalled. Genuine English Mohairs, Mohair Freiz, Jacquards, Moquettes, Tapestries and Figured Silks are being shown.
