HOCKEY NEWS

IN THE BIG TOWN LEAGUE

Two teams were played in the Big Town League last Thursday night and both were closely contested. The Glen Juniors are expected to have been the most hectic when the Juniors were defeated 2 to 1.

The opening goal came about half time in the first period when Halpin took a shot, which caromed off Wright's pads into the corner of the net.

In the second period Hogg scored for the Juniors while Hewitt added for the Glen. There were many penalties handed out to both teams.

Some good hockey was exhibited in the third period but no scoring was done. The Glen were lucky to prevent the game being at least tied up on several occasions, especially in the final ten minutes, when the Juniors fired punks indiscriminately at Stringer and had him hopping all over the place to keep his Citadel intact.

Hewitt and Halpin were best for the Glen, while Wright and Dutton stood out all evening for the Juniors. The teams lined up as follows:

Glen—Goal, Stringer; defense, Hogg, Halpin and A. Ritchie; subs, Hogg, Halpin and A. Ritchie; subs, Hogg, Halpin and A. Ritchie.

Other game was equally as interesting, although this fixture saw the Paper Mill team, who decided to thump with a 6 to 4 score, when the Town squad turned in a sparkling effort. The winners showed more skill and composure, with a goal combination and scoring punch and clearly earned their victory. The Paper Mill all night and never allowed any leeway.

King, Alcott and Harley, the starting forwards for the Town team, played clever hockey throughout, combining well on the attack and back-checking all the time. Ward, Toat and Norton worked hard for the Juniors.

Town—Goal, E. Alcott; defense, Ford and Vaver; centre, G. Alcott; wings, H. King and Harley; subs, Stapleton, King and Tuck.

Paper Mill—Goal, J. Shepherd; defense, Woods and H. Shepherd; centre, Norton; wings, Ward and Toat; subs, Thompson and Crichton.

THE GAMES PLAYED LAST NIGHT. There were two tie games played in the Big Town League last night with one being finished in 15 minutes of overtime.

The Town team met the Glen in the first game, which was bitterly fought, owing to both teams having won on Thursday night. The Town started the scoring, when C. King on a lone rush banged home a counter.

Shortly after Alcott made a goal for the Juniors and the game was a rush and counted another. King slipped another past Stringer and the first period closed with the Glen 3 and Town 1.

In the second session, the Glen edged the Town off their feet and slipped one and Hill tied. The tied closed with the teams tied up 3 to 3.

In the final frame play was fairly even and each team scored a goal. King scoring for the Town on a pass in front of the net from Alcott. Hill being the scorer for the Glen.

Ten minutes of overtime was played and it was enough for the Glen to get the breaks and Alcott in the Town net never saw so much of the puck before as they netted three before the counted one and Hewitt the other two. The score at the end of the game being 4 to 3 for the Glen.

The Juniors and the Paper Mill played a game, which was not broken after ten minutes of overtime. The tie score being 5 to 5.

The game was close all the way, with the Juniors leading 3 to 2 and then the Mill tying up. It was rough as the ice became soft and sticky and good hockey was almost impossible and stickhandling out of the question.

minutes overtime was played with neither team being able to score. Both the defense players of both teams played well together, and W. Ritchie and Hoare, Wright and Ward looked the best on the forward line.
