Every Bell Telephone is a Long Distance Station

Here is a new telephone convenience. We will give you a blank book in which you can make a list of the people you are likely to call by long distance. We will then fill in the NUMBERS for you and return the book.

When you call new names, not listed in your book, "long distance" will tell you the NUM-BERS and you can add them to your list for future reference.

This special long distance directory will save time for you because giving the NUMBER you want always gets the quickest possible connection.

Rosy Cheeks for indoor days

Crisp cold air brings a touch of color to every one, but it soon passes unless good health keeps it there. Shredded Wheat is an ideal indoor-weather food. It contains the mineral salts that make healthy red blood and the bran that promotes regular habit even though exercise is restricted. Plenty of nourishment—and easily digested too. Eat Shredded Wheat every morning-a biscuit or two with hot milk for a delicious, vitalizing breakfast.

The boys whom the time has need Are boys that will not shirk But bring to tasks they undertake A love for honest work. It is from stuff like this, my lad The years will make the man, So face the future with a will To do the best you can.

It may not be your lot to lead To victory in the fight Upon the bloody battlefield Where men may die for right. And be a hero, all the same. Because you fight and win.

A champion of right In days like these, where men bow Like slaves to worship might. But know, my lad, that he who fights For love and fellow-man And truth will surely win, because He'll do the best he can.

It matters little where our work, Or what may be its name: If to its doing we can bring Clean hands and lofty aim. So, lad, whate'er you undertake Be sure to do your best, Be true to manhood's better self And trust God for the rest.
