The Nicest Remembrance of All

A LONG distance call—that carries your voice, your personality—is the finest remembrance you can send on a birthday, anniversary or any other occasion. It carries a touch of intimacy no other remembrance can bring.

And what other gift could you send that would cost you so little and give so much pleasure. Just look over the long distance rates in the front of your telephone book and note the unusually low cost since the recent rate reductions.

Call by number and tell the long distance operator "anyone there will do." This gives you the low station-to-station rate.

If you call after 7 in the evening the cost will be about 25% lower than the day rate; and from 8:30 p.m. to 4:30 a.m. the rate is about half the day rate. (These reductions apply on "anyone" calls only.) Long distance today is quicker, cheaper and more dependable than ever before.
