

### The Most Economical Protection for Your Home

"Price-per-Gallon" is a very deceiving basis on which to judge the Cost of Paint, as is shown below in the comparative costs of painting two houses of the same size.

All things being equal, the Higher the Price-per Gallon, the higher the quality—and the lower the initial or ultimate cost of paint is sure to be. Cheap "Price-per-Gallon" Paint not only increases the cost of painting, but also the cost of labor of protection and the cost of repainting. These points are illustrated in the following comparison.

Low Brothers High Standard Paints Vs. Cheap Paints			
Average Price Low Brothers High Standard Paint per gallon . . . . .	<b>\$5.35</b>	Average Price, Cheap Paint, per gallon . . . . .	<b>\$3.50</b>
Average Coverage per gallon . . . . .	<b>450 Square Feet (2 Coats)</b>	Average Coverage, Cheap Paint, per gallon . . . . .	<b>300 Square Feet (2 Coats)</b>
Required for 2250 Square Feet . . . . .	<b>5 Gallons \$26.75</b>	Required for 2250 Square Feet . . . . .	<b>7 1/2 Gallons \$26.25</b>
Labor Cost of applying 5 gallons of Low Bros. Paint at \$7.00 per gallon . . . . .	<b>\$35.00</b>	Labor Cost of Applying 7 1/2 gallons Cheap Paint . . . . .	<b>\$52.50</b>
<b>TOTAL COST . . . . .</b>	<b>\$61.75</b>	<b>TOTAL COST . . . . .</b>	<b>\$78.75</b>

117.00 or 27.5% of cost of the whole job is saved by purchasing Low Brothers' "High Standard" Paint, not to speak of the added advantage of having a superior job in appearance, service and long life.

Figure your paint requirements on a "Square Foot" basis. If you do so you will buy—

### Have You Renewed Your Motor Vehicle Operator's License?

If you are operating a Motor Vehicle in Ontario, you are breaking the law unless you are the holder of a 1930 Traffic Police or Operator's License.

Traffic Police are now apprehending motorists for the purpose of examination of licenses.

In case of accident, traffic officers or police will immediately call for your license card. Be sure you have it with you whenever you sit behind the wheel. It is prima facie evidence that you are qualified to operate a car. Its absence will render you liable to a fine and also may be interpreted to mean that you are not a competent driver! Do not lay yourself open to inconvenience and needless blame.

Application forms for new or renewal licenses may be secured from the Department of Public Highways, Motor Vehicles Branch, from any of the Department's Agents throughout the Province, or from any Licensed Garage. If you seek a renewal, have your license card of 1929 with you. If you have lost it, a duplicate will be issued by the Department on payment of 50 cents.

New and renewal Licenses are issued by the Department or any issuer of Motor Vehicle Permits. There are one or more issuers in every county. The fee is \$1.00.

Applicants for new licenses must undergo examination which the issuer will arrange. The fee for an examination is \$1.00.

Carefully preserve your License. Have it in your pocket every time you drive. Produce it whenever called upon by an officer of the law. Do not allow anyone who does not possess a Traffic Police or Operator's License to drive your car.

### HAVE YOU BEEN HELPFUL

In anybody happier because you passed his way?  
Does anybody remember that you spoke to him to-day?  
This day is almost over and its toiling time is through:  
Is there anyone to utter now a kind word for you?  
Did you give a cheerful greeting to the friend who came along?  
Or a cheerful sort of howdy and then vanish in the throng?  
Were you selfish pure and simple, as you rushed along the way,  
Or is someone mighty grateful for a deed you did to-day?  
Can you say to-night in parting with the day that's slipping past:  
That you helped a single brother of the many that you passed?  
Is a single heart rejoicing over what you did or said?  
Does a man whose hopes were fading now with courage look ahead?  
Did you waste the day or lose it, was it well or poorly spent?  
Did you leave a trail of kindness or a scar of discontent?  
As you close your eyes in slumber do you think that God would say:  
You have earned one more to-morrow by the work you did to-day.
