BALLINAFAD

The Ballinacree Young People's Society was particularly busy on Tuesday evening, May 27th, having Mrs. (Rev.) Julliff of Erin give a most vivid outline of her work in the West China Field, where she had been working for over twenty years. She intends to return with her husband and family this summer. Every one present, no doubt, marvelled at the courage and determination with which she followed her in her arduous journey inland for many tedious miles, and getting only a miniature sketch of the difficulties, horrors and dangers that anyone could have encountered. Our friends certainly were very kind to "sit in" as much as they could with a violin solo by Mr. Donald Kirkwood, accompanied by Miss Violet Kirkwood, and a vocal solo by Miss Balfour, both of which were very finely rendered and immensely appreciated by all. The Anniversary Services of Ballinacree will be held on Sunday, June 22nd. We are fortunate in securing the "Muralph Quartette" of Toronto again, who so ably helped us in our service last year. Mr. Wm. McKay, Miss K. McKay and Archie McKay motored to Owen Sound on Saturday to spend the holiday with friends there.
