Dear Bessie: We want you to know as you leave us for your new home in Brampton, how greatly your devoted work in the C.G.I.T. Class has been appreciated and how much we will all miss you.

Your work as leader of our class has been signally blessed. Your assistance in our Sunday School has been one of great faithfulness combined with ability and tact.

During the years you have been with us for your pleasant personality has endeared you to us all and we should like you to feel when you are among new friends that your old friends here in Glenwilliams may last.

We therefore beg you to accept this memento as a token of our esteem, and to feel that we will try to remind you sometimes of the many friends you are leaving behind.

For the many years you have been with us we have learned to know and appreciate your sterling qualities. Your cheerful and optimistic manner has often made light of what appeared to be a dreary task.

Each member of this class feels that they are losing a personal friend. We sincerely trust that you will find consolation in your new surroundings.

Be very happy and successful and let us know how you are getting on for all time.

Signed—Agnes McDonald on behalf of the C.G.I.T. Class.
