An exchange says five highways are just one service station after another. Yes, we have noticed that until our bus ran out of gas—then they seemed miles and miles apart.
News that two flags float above the service station and the roadside booth we think it might be well to point out to the children once in a while which is the Union Jack.
After enjoying a couple of picnics this year, we have concluded that the man who can devise a picnic without ants, bugs and mosquitoes is in a fair way to making a fortune.
As for boots and shoes you will find them O.K. We are also adding all kinds of wearing apparel to our business. Repairing as usual. J. Roney the only factory shoe store in the county.

Occasionally one sees a young woman pulling out a cigarette in restaurants and in the dining rooms of city hotels. These young women should remember that statistics show that 60% of all babies born of cigarette-smoking mothers will die before they are two years old. But the type of girls who smoke are, as a rule, thinking more of their own selfish indulgence than being the happy mothers of well-born babies.—Cheley Enterprise.

A. P. MacVannell has resigned. A. P. MacVannell, agricultural representative for Halton County, has tendered his resignation to the department of Agriculture, to take effect on August 15th. Mr. MacVannell has been agricultural representative for the county for the past two years, coming here from Prince Edward county. He is one of the oldest representatives in the government service, and has done much to advance agriculture during his tenure of office, some fifteen years. He has given splendid service in Halton county during his residence here, and has made a host of friends, not only in the town and district, but throughout the county. He took a keen interest in the work, and his retirement from office will be a great loss to the government as well as the agricultural interests. No announcement has been made as to his future plans, but we understand he owns a valuable farm in Prince Edward county, which he will receive his attention.—Burlington Gazette.

OBITUARY

DR. JAMES LINDSAY: By the death of Dr. James Lindsay at his home in Limehouse on July 25th, the community has lost one of its best and most highly esteemed citizens. Dr. Lindsay was a son of the late Mary McCall and James Lindsay and was born in the farm on which he died, where he was a farmer. He studied medicine and after graduating he followed his profession as a physician and surgeon in Guelph for many years where he had a large practice. He retired a few years ago and returned to the old homestead at Limehouse where he resided until his death. He was never married but is survived by two sisters, Mrs. Mary Lindsay and Dr. Subhan, both of Limehouse. Deceased was a Presbyterian and took an active part in the church. The funeral will be held on Monday afternoon at Limehouse cemetery, the service being conducted by his pastor, Rev. Kenneth MacLean assisted by Rev. W. Caldwell. The pall-bearers were—Magistrate Watt of Guelph, Alex Stewart of Guelph, Jas. Lindsay, Georgetown, Joseph McKeown of Limehouse, Harding Price of Limehouse, Dr. Hugh McCall, Milton.

PETER A. SMITH: The Town of Acton lost one of its leading and most highly esteemed citizens when Peter Arthur Smith of Hill Hall, passed away last Sunday morning, the 29th inst. Mr. Smith had been suffering from an affection in the throat, several operations were performed and the most skilled medical attention was given constantly, but without avail. The trouble steadily progressed and Mr. Smith's suffering was intense. His death is a great loss to the community, for he was a friend to all, and always generous to those who were in need. For many years Mr. Smith was superintendent for Messrs. Beardmore & Co. in their tanneries at Acton and Bracebridge, and was always a popular employer. Some five years ago he retired from active work in the tanning business, but he had not lost his interest in his numerous personal interests. He was a Mason of the 32 degree, and frequently attended at home at Georgetown and the Blue Lodge at Acton and Bracebridge. Mr. Smith was an enthusiastic curler and belonged to both Georgetown and Acton Clubs. He is survived by Mrs. Smith, who through all the years of their wedded life has been a devoted partner, and during his long illness gave her constant care and solicitude, and three daughters, Miss Pearl at home, Mrs. McDonald, wife of J. M. McDonald, superintendent of Beardmore Leather Co. Acton; Mrs. Susan of Toronto. Mr. Smith was also survived by a brother, Dr. Henry Smith of Boston, Mass., and Miss Smith, an older sister of Adamsville, Que. Mr. Smith was native of Quebec, and was in his 73rd year. He was an adherent and generous supporter of the United Church, Acton, while a resident in the Bracebridge he was for a number of years a member of the town council and was mayor for some six years. The funeral which was held on Monday afternoon, July 28th, was largely attended and was held under Masonic auspices. Rev. C. L. Poole, B.D., pastor of the United Church had charge of the impressive services at the house and the committal service at the grave. Interment was made at Fairview Cemetery, Acton.

The flower garden of O. S. Wood, Palermo postmaster, boasts exceptionally early blooms of dahlias and gladioli. Mr. Wood's grounds are just south of the Dundas highway at Palermo, and the soil is rather hard clay.

Thomas McCracken, resident of Trafalgar Township, in his 95th year, former master of Streetsville I.O.O.F. and P.D.M. of Derry West district, took part in the Obituary Twelfth celebration at Bolton on July 12th.
