Don't Miss World Events

Radio has become as indispensable as the daily newspapers.

BROADCASTS of historical, national or international interest, follow each other from week to week. Hardly a day passes but radio brings the actual voices of world celebrities into your home, into your office, into your workshop.

HAVE YOUR TUBES TESTED

Daylight reception means weaker broadcast signals, therefore the need of replacing worn tubes so that you may hear these broadcasts perfectly. One worn tube may be the cause of all your troubles if your radio no longer works like new.

ACTON

Miss Jessie Macpherson, daughter of the late Rev. H. A. and Mrs. Macpherson of Toronto, formerly of Acton, has returned to Toronto after a year spent abroad taking a course of study in girl's work, and will resume her duties as Ontario Girls' Work Secretary in September.

Yesterday afternoon an out field on the Beattie farm, a few miles from Acton, caught fire and was partly destroyed. The fire got in a stump fence and burned it for some distance. Acton firemen—Messrs. James Macpherson, Mr. Andrew Scott, of Limehouse, Mrs. Alex Lawson, of Milton, and daughter, Barbara, and Mrs. Lawson's granddaughter, Miss Joan Lawson, of Walkerville, Mrs. Scott was present with a pretty cake plate for being the oldest member. The result was such a success that it was decided to hold it annually. Members of the county were Mr. Andrew Scott, of Toronto, Erin, Walkerville, Milton and Orton.

LIMEHOUSE

The home of Mr. Richard Marshall was the scene of a pleasant gathering on Aug. 4th, when a re-union of the Marshall clan was held. Some forty guests attended. Games were participated in and about six o'clock the guests were taken to a luncheon which was served on the lawn. A unique feature of the gathering was the fact that four generations were present. Mr. Marshall, re-elected Mayor of Acton, was present, Mrs. Andrew Scott, of Limehouse, Mrs. Alex Lawson, of Milton, and daughter, Barbara, and Mrs. Lawson's granddaughter, Miss Joan Lawson, of Walkerville. Mrs. Scott was present with a pretty cake plate for being the oldest member. The result was such a success that it was decided to hold it annually. Members of the county were Mr. Andrew Scott, of Toronto, Erin, Walkerville, Milton and Orton.

ASHGROVE

A very successful and interesting course in handicraft was held in the school house by the Ashgrove Women's Institute.

Miss LeGrande of Toronto was instructor. During the three days, August 6, 7 and 8th, she gave demonstrations in oilcloth work, painting, paper and wood work, and other arts, all from which the prettiest and most inexpensive articles could be made.

About thirty took advantage of the course. Junior and senior girls as well as members of the Institute took part with equal interest and enthusiasm.

At the close of the course Miss LeGrande was presented with a lovely bouquet of gladioli from the class by Miss Edith Wrigglesworth, one of the junior members while Mrs. Earl Wilson spoke a few words of appreciation for her most instructive services during the course.

A successful lawn social was held at the home of Mr. and Mrs. Joe Gillen under the auspices of the Ashgrove Women's Missionary Society.

The following contributed to the splendid programme—duets by Mrs. F. Thompson and her son Mr. L. Thompson; solo by Miss Ruth Anderson, all of Terra Cottis; duets by Mrs. Cora Titchener of Toronto; duets by Mrs. Robt. Anderson and Mrs. E. Dewar of Milton, a solo by Mr. H. Dewar also of Milton. The Ashgrove orchestra contributed several numbers; Mr. T. Conbe a violin solo and one number from the Ashgrove quartette.

The regular monthly meeting of the Ashgrove W.M.S. was held on Tues. August 4th. On account of the busy season only a few were able to attend. The president Mrs. W. Barnes was in the chair. The devotional exercises were taken by Mrs. O. B. Dick. Mrs. O. B. Dick, Mrs. R. Nurse took the study chapter.

The fifth class pupils of Ashgrove Public School are to be congratulated on their success at the Lower School examinations held at Georgetown in June, having passed on all examinations written. Their names are: Evelyn Walsh, arith, gram, geog., Br. hist.; Harvey Nurse, arith, gram, geog., Br. hist.; Mary McGibbon, arith, gram.

NEVER ALONE

Mary's family disliked the idea of her working alone in a big city. But she was determined. So they had her promise that she'd telephone every week to reverse the charges. Mary was delighted with this arrangement. And her family no longer worries.

CARD OF THANKS

We hereby convey our sincere thanks to neighbors and all who so willingly helped to extinguish the fire at our premises on Tuesday last. Their kind assistance was much appreciated.—Thos. McBride.

"The More We Are Together The Merrier We'll Be"

THUS goes the jolly song of the Good Fellowship Brotherhood.

Plain, simple folk say words, but much truth is embodied in them. Unless we hang together much community prosperity is lost to GEORGETOWN. Consider the printer; he is doing his part in helping along his home town by buying as much as possible there; yet much of the work he can handle goes outside.

No benefit is derived from giving work to outside firms who come around selling you printing. You pay as much for the work; you have to wait longer for it; you have no chance to examine it until the finished work comes along with the bill; and then there is the expense to pay over and above the straight price.

Compare this with the service of the local printer. Show him what you want and he'll give you a definite price. You know exactly what the work will cost before it is touched. Then you can make minor changes, etc., before the final printing. Delivery is made promptly too—and nothing is charged for the service.

All in all you stand to gain by letting the local man handle your work. And do not forget that his active support is behind you and your business.

"For my friends are your friends And your friends are my friends The more we are together, the merrier we'll be."
