NORVAL

Mrs. J. N. Macpherson left today for Tilsonburg to visit her niece, Mrs. Macpherson, who is in hospital suffering from the effects of a motor accident in which she was severely injured on Sunday. The home of Mr. and Mrs. Albert Hunter was entered last Saturday evening, while they were at the stable milking, and money, jewelry and clothing to the value of \$2000 were stolen. The only clue was the sound of an auto leaving the premises as they were returning to the house.

Barnard left on Tuesday afternoon for England, where they will visit relatives and friends returning home about Dec. 1st. The presentation was made by the Past President of the Legion.

LADIES' DAY AT GOLF LINKS

Wednesday, September 17th was a very merry day for the lady golfers of the local golf club when Miss Esther Pettit, assisted by Miss Mildred Fick, acted as hostesses for the day and supervised a very jolly and original competition. Conventional rules for the nine-hole round were forgotten and comic rules were the order of the day.

THE STENOGRAPHER

She knows the very latest style. No dance she'll ever miss. She talks of movies all the while. (Her typing looks it thick). In writing shorthand, she's a wow. The fastest I've seen yet. She speeds the typewriter, and how. Her spelling is all set. Each day she talks to "Sweetie Joe" for hours on the phone. At last I had to let her go. A' nou I typ myself.

FAIR A SUCCESS DESPITE RAIN

BEST EXHIBIT OF LIVE STOCK. FAIRY PANTRY WORK, ETC. EVER SHOWN IN GEORGETOWN.

Notwithstanding the rainy afternoon the Evening Agricultural Society Annual Fair held at Georgetown Hutchinsday Bracon, one of the best in the history of the society so far as exhibits were concerned. The attendance was not as large as usual.

The features of the fair were the splendid exhibit of cattle, horses, sheep, pigs and poultry on the grounds, and of grain, dairy products, vegetables, flowers, fowl, fruit, home-made baking, etc. in the hall. Also the exhibit of ladies' fancy work which was away ahead of anything ever previously exhibited in Georgetown.

The home of Mr. and Mrs. Albert Hunter was entered last Saturday evening, while they were at the stable milking, and money, jewelry and clothing to the value of \$2000 were stolen. The only clue was the sound of an auto leaving the premises as they were returning to the house.

FIREMEN AT CHURCH

OVER 125 PRESENT—SERMON BY REV. R. C. ROGERS.

On Sunday morning last the members of Georgetown Fire Brigade and visiting firemen from Oakville, Milton and Port Credit, to the number of 125, attended divine service at Knox Presbyterian Church.

The firemen formed in procession at the town hall and headed by Georgetown Citizens Band marched to the church, where a splendid sermon was delivered by Rev. R. C. Rogers, who was the preacher for the day. After reading the 121st Psalm and the 61st Chapter of Isaiah, the speaker chose as his text part of the 3rd verse of the 1st chapter of Isaiah, viz: "To appoint unto them that respect Zion, to give them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness."

ST. GEORGE'S CHURCH HARVEST THANKSGIVING SERVICES

The yearly Harvest Festival was very fittingly observed on Sunday, September 21st, in St. George's church. There was a Choral Celebration of the Holy Communion at 9 o'clock and over 100 communicants were present. At 11 a.m. there was a large congregation present and the service which was fully choral, was very beautifully sung by the choir. They also sang the anthem, "While the Earth Remaineth" with very good taste the double quartets being especially well sung.

In introducing the preacher of the day, the Rev. Mr. Thompson, who presided over the service, said that the fact of God, the Giver of bread. Mr. Thompson gave a splendid address, taken from the lesson of the day "Man shall not live by bread only, but by every word that proceedeth out of the mouth of God." The speaker referred to the great universal need of mankind for bread, the co-operation of so many people in producing bread, and the fact that it is the gift of God, the Giver of bread.

EXCURSION TO OTTAWA

Return tickets are \$10.65 from Brampton, and \$10.15 from Toronto (Western). The service has been arranged both ways from Dufferin and Peel. In addition to the special, and they are at advantage of the trip, and it is hoped many will do so. Children go at half fare. It is an excellent opportunity to visit the capital of the Dominion at a comparatively low cost.

ADVERTISING THAT PAYS

It is well known by all live merchants and by husbands as well, that practically all buying for the home is either actually done by women or directed by them. For this reason the merchant's greatest problem is to attract the favorable attention of women to his wares. Women are alert to grasp a chance to secure merchandise at a bargain and they are not discriminating buyers than men, as a rule. They read advertisements and act upon the information obtained thereby. In order to determine just what advertising mediums have the greatest influence on a woman's buying a survey recently made by a Los Angeles advertising club developed some interesting facts.
