We hope you will be very happy. May we invite you to try Red Rose Tea?

**HED** HOSE RED LABEL TEA

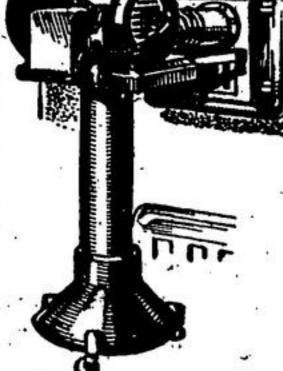

RED ROSE ORANGE PEMOR TEA

Here's release from the slavery of coal shovel and ashes-an amazing saving of energy, steps and time! Here's a new Oil Burner at a new, low price, with new silence, new economy of fuel-and backed by an iron-clad guarantee of satisfaction! Don't say "This modern comfort is too expensive for me," until you see what we are doing for hundreds of others.

### GILSON OIL BURNER

This new gift of science is This new gift of science is based on 50 years' leadership in the manufacture of heating appliances. The Gilson Burner is designed and priced to place automatic, dependable oil heat within the reach of every one. Fuel economy, safety and silence were borne in mind, in designing this revolutionary oil heating unit to suit the needs of the smallest and the largest homes. Suits any heating plant without alteration, so that coal fire can be built as formerly should electric current or oil supply

Ask for booklet "Gilson Automatic Oil Burner" and see demonstration.

Due to dry weather and blossom rot, the tomato drop in Prince Edward County will be much smaller than previously estimated. Wentworth is another county where lack of rain has been serious, and in consequence all fruits and vegetables as well as grain and root crops are below average.

Grading Vegetables One of the greatest factors in the marketing for farm produce and par- to have until Dec. 31st., 1931 to remove ticularly garden vegetables, is assured wood. quality. The public demand for a uniform, graded, sound mature product in standard attractive containers to Georgelown is becoming yearly more apparent and such products are given preference on the market and command the highest prices. Grades have already been established for potatoes, onlons, turnips and celery, and requests are now being made for grades of other kinds of by vegetables, particularly cabbage and cauliflower. To meet this demand re- .o sell by public auction at Lot 12, and statements of their accounts and commended grades for these products Con. & Esquesing on were introduced providing an oppor- fHURSDAY, SEPTEMBER, 25th, 1939 by them. tunity to growers and distributors to at 2 o'clock the followingtry out the grades before introducing Reg.
