Send me further particulars of the Plan of Insurance for Super-Select Lives, as issued by the Confederation Life Association.

Profits Continue Though Premiums Cease, So this Policyholder is pleasantly surprised.

Confederation Life Association,

I beg to acknowledge with many thanks the Company's cheque for \$126.30, profits on Policy No. 10,019.

I meed not say it was a most pleasant surprise. I was gratified to know that the Company had decided not to ask any further premiums on the policies I held with them, but it did not strike me that the profits to be earned by the policies would be paid me now. It is most satisfactory, and I am very greatly

Yours sincerely,

We have issued a series of policies at lew premium rates for "Super-Select Lives," that is, business and professional men. These policies may be had with Total Disability and Double Indemnity Accident Benefits. Write for particulars concerning them. Use the coupon for convenience.
