Read what he says:

Confederation Life Association, Toronto, Ont.

Dear Sirs:

By My Policies Nos. _____ and _____

As you know, I had a Policy mature some years ago, for \$1,000.00 on the Twenty Pay Life Plan, at which time I took the profits thereon and left a Paid-up Policy, which has been continuing to pay me profits ever since. I regret that this Policy is no longer. The point I wish to make is that I should have bought more at an earlier age.

However, since that time, I have placed four additional Policies with you, making a total insurance now carried with the Confederation Life Association of \$41,750.00.

I do not hesitate in recommending your Company to the insuring public.

Yours truly,

Once a man or woman takes out a Confederation Life policy, he or she is so thoroughly satisfied that they almost invariably place further insurance with the Association.

We have recently issued a new Confederation Series of Low Cost Policies, with Total Disability and Double Indemnity Accident Benefits, and participating in the profits of the Association. Those contemplating further insurance are strongly recommended to write for particulars. Use the coupon for convenience.
