# When he launched the 42,500 ton Canadian Pacific liner Empress of Britain, H.R.H., the Prince of Wales, referring to the Knickerbocker Bar—as the cocktail bar of that magnificent new ship is to be known—said that its frequenters "can let their imagination run riot in a rosy hase amid the fantastic humour of Mr. Heath Robinson." humour of Mr. Heath Robinson." The Prince referred to the announcement that Britain's forement humourous artist has been given. The Prince referred to the announcement that Britain's forement humourous artist has been given a free hand to decorate that room on the new liner which is to make its bow to Canada June 22nd next. The Prince referred to the announcement that Britain's forement humourous artist has been given a free hand to decorate that room on the new liner which is to make its bow to Canada June 22nd next. Developing a humourous legend of the cocktail of his own invention, W. Heath Robinson, who is shown above at work on some of the panels, has prepared a decorative scheme that extellisthe virtues of the cocktail and depicts ingenious machinery employed in its manufacture. Heath Robinson's ideas of the latest labour-saving machinery in connection with the selection and preparation of cherries for cocktail embellishment are shown together with the Foolproof Safety Aeroplane; a direct descendant of the mythical cocktail bird. This ceiling decoration depicts the uplifting powers of an appetiture. These, and other drawings will appear on the walls and ceiling of the room.
