Purchase of Lots

. Why Do They Dolt?

Why do so many capable and experienced housewives punish themselves so mercilessly with the eternal scrubbing of floors?

It is so simple to refinish them with Quick Drying Floor Enamel or, if hardwood, varnish them with Quick Drying Varnish

It is so easy, then, to keep them shining with a minimum of effort.

Why not relieve your back-save hours of drudgery-save yourself the fatigue and add to the cheer and comfort of the home by Painting your Floors and Woodwork now.

You can apply Lowe Brothers' Paint to-night after supper and use the floor in the morning. How simple! How economical!' How convenient!

One Pint of Lowe Brothers Paint will go as far, as One Quart of Cheap and Inferior Paint.

See Us Before Painting.
