BASEBALL The Georgetown Juveniles journeyed to Oakville last Wednesday evening for their return game with Ollie's Cleavers of that town and were defeated by the score of 6 to 4. McNally pitched good enough ball for any team to win, but was given poor support in the field, there were many costly errors which resulted in runs for the Ollie's but due to poor base running and taking too many chances they were unable to manufacture them into runs. Andy Ritchie made a nice hit which would have been a home run had it been just a few inches higher to clear the fence, but he had to be content with two bases. The Juveniles get good support in Oakville being over two hundred fans to witness the game between these two teams, and we would like to see just many or more here on Thursday night, June 4th when the Elmora Coal team also from Oakville meet Georgetown for the first time. The game is called at 7 o'clock sharp, d.s.t. so be on hand and give the boys your support.
