**BASEBALL**  
Georgetown Intermediate kept pace with Milton in the Halton County League race when they defeated Oakville 4 to 3 last Thursday in a twilight fixture, and then went to Acton on Saturday and put the kids under the team to the tune of 21 to 3. The game at Oakville was rather a short affair, being cut down to six innings on account of darkness. The local made rather a poor start, allowing Oakville to run in the first innings, but made up for it in the sixth, when they got to Roe for 3 runs on some timely hitting especially by Walters, who hit a double to score one. Roe for Oakville and Walters for Georgetown both pitched good ball and it was rather a "rip and tuck" affair right to the finish.

At Acton last Saturday it was purely a one sided affair all the way through and Acton were never in the hunt at any stage of the game. Georgetown started off in the first with 4 runs, one being a homer by Hepburn and from there on it was just a continual parade around the bases for the locals, but anyway it was good batting practice, and the boys should be in good shape to meet Milton this year. Walters again pitched smart ball having 10 strikeouts and giving but 2 walks. Barker started in the box for Acton, but he had no control whatever over the opposition and was replaced in the third inning by Chalmers who was left in there for the remainder of the game. The locals were hitting the ball hard and far having a home and five 3 base hits. Keeping the Acton fielders continually on the run looking for loose balls. Acton plays the return game in Georgetown the coming Saturday at 3 o'clock D.T.  
The box score was as follows:

The juveniles also kept pace in their group when they played a tie game in Milton on Wednesday last the score being 7-7. They were minus their star pitcher or the score may have been a little different, nevertheless A. Ritchie came to the rescue and pitched a fair game to keep the score tied.

The jury found both parties at fault and assessed the proportions, as follows: Heyd 75 per cent, and Mimms 25 per cent. He found the following damages sustained: by Harry F. **ODDFELLOWS AND REBEKAH DEODORATE GIBBS OF DECEASED MEMBERS ON SUNDAY AFTERNOON**  
**ELOQUENT SERMON BY REV. DR. HOWARD, PASTOR OF KNOX PRESBYTERIAN CHURCH**  
The annual grave decoration of deceased members of Orion Lodge I.O. O.F.F. and Rebekah Lodge took place on Sunday afternoon when over one hundred members of the above lodges, headed by Georgetown Citizens Band, paraded to Greenwood Cemetery and deposited flowers on the graves of deceased brothers and sisters.  
The ceremony at the cemetery was taken part in by Rev. Dr. Howard, Past. Knox Presbyterian Church, Clarence Spence, N.G., Gordon Spence Chaplin, and A. B. Parr, Secretary of Orion Lodge. Miss Pearl Scott, M.C., read the names of deceased members of Verduin Rebekah Lodge.  
The deceased members whose graves were decorated are as follows:  
Sister Mrs. Amy Kitchin, Bro. Wm. Blair, Bro. H. H. Heartwell, Bro. W. O. Barker, Bro. J. Kitchin, Bro. Wm. Miller, Thos. Harris, P.O.; H. Grive, Bro. R. H. Wilson, N.G.; Wm. McKinnon, Wm. G. Buck, Wm. Blair, H. Nevin, S. Nevin, P.O.; H. Coffin, J. Ross, H. Hartwell, N.G.; J. McKinnon, J. G. Wilson, T. J. Wheeler, P.O.; W. P. Dayfoot, E. Search, P.O.; A. Adams, P.O.; R. H. Wilson, N.G.; Wm. Gane, D. C. Watson, P.O.; J. Baird, E. Nixon, P.O.; W. A. Bailey, J. R. Thompson, P.O.; E. M. H. W. W. W.

In the evening the Lodges met and headed by Georgetown Citizens Band paraded to Knox Presbyterian church. A half was made at the cenotaph as the parade was passing, and while the band played "Globe with me" a wreath was deposited to the memory of those who gave their lives in the Great War.  
At the church words of welcome were spoken by Rev. Dr. Howard, pastor of the church and a Past Grand Chaplain of the Order after which he preached an eloquent and impressive sermon that was much appreciated and followed by the large gathering present.  
After reading 1st Samuel 17th chapter the 37th to 41st verses, and the scripture lesson, he chose as his subject "Fides"—and look his—testimony to the Christian and the first verse, "Let brotherly love continue."  
The speaker said in part: "This text is the motto of many men and your fraternal order. Fides, or faith is a means of relief from doubt when knowledge is not available. Fidelity is a derrick that lifts us out of ourselves to a real sphere or service. Faith initiates duty to our God, ourself, our neighbor, our church, our family and the world at large. Fides is a source of endeavor and in all our work endeavor is needed. If we have no spirit of endeavor we never get very far in life. Love is a common name. All charity and brotherly love must be considered a privilege if worth while. What kind of charity is that which is hidden or done out of the cold sense of duty. True love is that affection which binds us to our hearts and makes us do something for others. God forbid that I should preach out of duty. Duty is a heavy burden but not enough. Kindness, tenderness and sympathy is a privilege that makes life worthwhile and heightens the whole life. It is a privilege to be able to say good morning in a cheerful tone. It is a privilege to be able to give. Truth is the light that guides us. Truth is the sun that warms us. Truth makes us grow and gives us a place in life. Truth makes us free. Friendship, love and truth are true fundamental principles for a life worthwhile."  
During the service Mrs. A. L. Howard sang very beautifully "Nearer My God to Thee."  
On their return to the Lodge room a hearty vote of thanks was tendered to Rev. Dr. Howard for his very able and inspiring address. Messrs. J. McKinnon and Joe Gill were in charge of the parade. Visiting brethren were present from Milton, Brampton and Acton.

Contrary to general conditions throughout the country, business seems to be particularly good with the Canadian Gypsum Co. So good is it that it has been necessary to keep the kiln running seven days a week and also the quarry. In connection with some of the oldest veneration with some of the oldest in the community's history. Surely with a little wise manipulation on the part of the management, this decoration of the Sabbath could be avoided and the employees allowed to "remember the Sabbath day to keep it holy."
