**STULL**—At Georgetown on Saturday, June 20th, 1931, Sarah Minnie Maw, beloved wife of the late John R. Stull.

**HERALD NEXT TUESDAY**

**OBITUARY**

**MRS. JOHN R. STULL**

On Saturday, June 20th, Mrs. Sarah Minnie Stull, beloved wife of the late John R. Stull, passed away at her home on Union St., after a lingering illness. Mrs. Stull was a quiet retiring disposition and always kindly to everyone. In religion she was an Anglican. Deceased was a daughter of the late Mr. and Mrs. Thomas Maw of Albion township, near Tillamere. Besides her three children Alfred L., F. Cecil and Ethel, Mrs. Stull was survived by her three sons, Mr. Alfred Maw of Winnipeg, Man., and Mr. Fred Maw of the old homestead in Albion, near Tillamere. Two other sons, Willie and Walter, died in childhood. The funeral services were held on Sunday, June 21st, at 10:30 a.m. at the home of the deceased, conducted by the Rev. F. H. Wase. The many beautiful floral tributes from friends and neighbors showed the high esteem in which she was held. The pall-bearers were Messrs. Almer, Oscar, Willie and John Maw, Wesley Rutledge, Jas. Stull.

**BASEBALL**

Georgetown again showed their superiority over Acton in the park on Saturday last when they defeated them by the score of 5 to 3. It was a much closer game than the one the previous week and was more interesting for the spectators, although it had to be abandoned at the seventh inning, due to a severe thunderstorm.

Gibbons started in the box for Acton and pitched good ball compared to the pitchers they had in the first game. Kaley and L. Walters were really the only players on the Acton team who could hit safely, having 5 hits between them and they also scored the 3 runs. Pat Walters again pitched for the local club and showed good form having 8 strikeouts and giving out 2 walks. There was a fair crowd in attendance, but we would like to see more on Saturday, when Bronte plays in Georgetown at 3 o'clock D.S.T.

A meeting of the Halton County Baseball League was held in Milton on Monday, June 22nd to deal with a protest by the Oakville club and also postponed games. The Oakville team protested the game won by Georgetown in Oakville two weeks ago on the grounds of incomplete arrangements which by the way was no fault of the local club, but a misunderstanding between Oakville and the League executive, and when it was put to a vote of the delegates Georgetown were ordered to play another game with Oakville. Georgetown has 3 postponed games to play to catch up with the schedule, so they have arranged to play two of them on July 1st. They go to Oakville to play at 10:30 a.m. and move over to Bronte in the afternoon to play that team, and we would like to see as many supporters go with the team as possible.

Games this week in town:

Thursday, June 24th at 7 p.m.—Milton Intermediate vs. Georgetown.

Saturday, June 27th at 3 p.m.—Bronte Intermediate vs. Georgetown.

**BOWLING**

At the bowling tournament held on Georgetown greens Monday evening, trials were present from Milton, Acton, Erin, Oakville, Burlington, and Stroudville. The greens were in good shape and competition was keen. The winners of the different events were as follows:

Second—Sweeney and Bauer.

Third—H. Eckerle and J. Richardson.

Refreshments were served at the close of the game.

Major Grant was one of the old time invited spectators and met many former associates in the game.

Prior to his leaving for his new home in Wheatley, Mr. L. Curtin last Thursday evening presented to the Young People of Knox Presbyterian Church, with a beautiful Parker pen and pencil set and the following address:

Mr. Leo Curtin:

Your presence in Knox Church and your relationship with the Class designated "At Christ's Service" have been sources of joy to us and we could not allow you to go from our midst without expressing our appreciation, and in doing so to say to you that we have held you in the highest esteem and will continue to watch your career concerning which we see evidence that it will be a prominent and successful one, if in God's Providence you are spared to carry on for years. We hope and pray that you and Mrs. Curtin and Dorothy may be spared many years for "the good that you can do."

We understand that you are expressing not only our felicitations but also many beyond the "Sunday School, Young People's Guild and Church."

In asking you to accept this slight concrete token of esteem, we know that you will have already looked up in the safe and sacred repository of your heart, our brotherly love for you. May this practical gift be the means of frequent recall to your mind of the friendly interest we have in you. And may God's blessing follow you and your family.

Jas. M. Kennedy, President  
Fred E. Palling, Secretary  
Dated at Georgetown, June 18th, 1931.
