Boxed Peaches for West Orders for some twenty carloads of of the Ontario Growers' Market Council. according to Chas. W. Bauer, sec retary. The Council is making determined effort to recover Ontario's market for fruit and vegetables in the West. It is realized that Ontario Halrell-"Oh, yes! My wife occa- lost ground in this market through being indifferent to the requirements of grade and pack. The Council's commercial representative was sen West some weeks ago to develop the market for fruit and the present orders for boxed peaches are the re sult of his efforts. Incidentally the prices are higher than could be realize ed for basket fruit, as basket packing is not a satisfactory method to be used for the western market. As result, various Ontario fruit-growing organizations are equiping themselve to pack peaches in boxes for this trade to other provinces. The Council's slogan, "Better Packing and Better Distribution," is meeting with enthusiastic co-operation by the majori-

> Markets' Council Active Registration of all growers, together with the products in which they are interested, will be one of the important steps in a plan under way to solve their problems by the recentlyformed Ontario Pruit and Vegetable Markets Council. After gathering this information, the Council will undertake to study the growers' marketing problems andgive advice to each grower or growers' organization on packing, packaging and selling each crop in its season. The newly formed organization will be self-sustaining and owned by the growers themselves, and it will be purely advisory.

ty of growers.
