Entertained at Golden Gate

On Friday evening last a number of business men in town were entertained to dinner by M. P. Lang, the genial proprietor of the Golden Gate Cafe. A delicious full course chicken dinner was served of which all partook heartily and thoroughly enjoyed. It was a regular treat for the boys of the best hotels and Georgetown is fortunate in having Mr. Lang locate here. The thanks of the gathering were tendered Mr. Lang the host of the evening, and all went home feeling that they had found a place with pleasant surroundings, service and member, or all of the family could enjoy a good meal of the best food, deliciously cooked and satily served. If "wife" is away just try a meal at The Golden Gate Cafe.

No Increase in Fares

The Herald had a pleasant call on Monday from H. J. Ryman, Superintendent of the Arrow Coach Lines. Mr. Ryman assured us there would be no increase in bus fares as had been rumored since the Radial ceased to operate. The present fare to Toronto is 90c single and purchases a season ticket at a rate of 2.50. The service and accommodation will be the very best possible, and the management will be pleased at any time to receive suggestions from responsible organizations in town if they think the service can in any way be improved. "Our aim is to give the public a first-class service at a reasonable rate," said Mr. Ryman, and we here he means it. It is a beautiful run from Georgetown to Toronto on the Arrow Coach Lines, and you are assured comfort and courtesy.

ERIN

The large bank barn, on the farm of Wm. Lang, Lot 23, 4th line, Erin, with over six loads of hay, a number of farm implements, etc., were destroyed by fire early Sunday morning. The usual morning fire preparatory to breakfast, was kindled about six a.m. and shortly after the roof on the house took fire. This was a very serious fire, and the fire during the interval a spark evidently had blown on to the barn roof and before being noticed the fire was beyond control. Neighbors assisted in getting out several valuable horses and pigs but were unable to salvage the barn. The loss at this time is a severe one although partly covered by insurance.
The lion killed by a truck in which it was a passenger, Saturday evening about eight o'clock, on the Ouelph Road, Erin, was killed by the truck, which was unfortunately killed. The rear wheel of the heavy vehicle passed over the man's head and death was instantaneous. Advocate.

EE GOT THE JOB

The senior partner has dismissed his office-boy for untidiness and general slackness, and was interviewing in turn a waiting line of some twenty applicants. Presently a smart looking youth was ushered in.
"Well my boy," said the senior partner, "I am looking for someone who is smart and tidy. He must look round the office and note down the things that have to be done. The office must look clean and tidy. I'm fed up with boys that never see anything but their feet, and I'm determined to have an office boy with some idea of keeping things as they should be kept. You understand me, of course?"
The boy nodded briskly.
"Yes, sir, certainly," said, "I shall begin by putting your tie straight!"

BOTH LOW PRICE AND LOW COST

SEIBERLING ALL-TREADS

A tire for which you pay a low price may turn out to be very costly. One for which you pay a lot more may not live up to its price tag.

Both in the fact that its first price is moderate and its quality as great as to make its final cost the very lowest—the new SEIBERLING ALL-TREAD TIRE means economy. We have your size.

Below is a price list of a few of the sizes:
