- x 21. Pr. of dressed Chicken box of Comfort Soap, by A. K. Parnell, value 5 00

### IT IS EASY TO CRITICIZE

It is easy to sit in the sunshine and talk to the man in the shade: It is easy to float in a well trimmed boat. And point out the places to wade. But once we pass into the shadows we murmur and fret and frown. And our length from the bank we shout for a plank. Or throw up our hands and go down. It is easy to sit in our carriage. And counsel the man on foot. But get down and walk, and you'll change your talk. As you feel the peg in your boot. It is easy to tell the teller. How best he can carry his pack. But no one can rate a burden's weight until it has been on his back. The up-curl'd mouth of pleasure Can preach of sorrow's worth. But give it a sign and a wringer It was never made on earth. —Ella Wheeler Wilcox

### Coffee—Ice or Punch

By Betty Barclay  
Many who regard luncheon as incomplete without a cup of coffee, prefer their coffee cold this time of year. Those who do not already know of ice coffee or coffee punch should try these recipes:

**Ice Coffee**  
Make coffee a little stronger than usual—as ice dilutes it. Serve in large fancy or colored glasses with plenty of crushed ice. Sweeten to taste. Top with whipped cream or serve with plain cream. Coffee may be chilled beforehand in an airtight container, or poured hot over the ice where ice is plentiful.

**Coffee Punch**  
In a bowl place a block of ice. Make your coffee by the drip method, which means it should be finely ground and that it will be fragrant. Coffee should be fully a half stronger than usual because of dilution by the ice. Pour four cups of coffee over ice. Add a cup of heavy cream, and 2-3 cup powdered sugar. Then place a quart of vanilla ice cream in the punch bowl in large spoonful, and a cup of maraschino cherries and their juice. Chill punch thoroughly and serve.

**Fresh Peach Dessert**  
1 junky tablet  
1 tablespoon cold water  
1 teaspoon vanilla  
1 cup milk  
1 cup light cream  
Dice fresh peaches in the bottom of 5 dessert glasses, and add a few drops of lemon juice and sugar to taste. Mix cream and milk and prepare junky according to directions on package. Pour at once over the peaches. Let stand undisturbed in a warm room until firm—about 10 minutes. Then chill.

**OUTDOOR DELICACIES**  
Here are two little recipes for delicious dishes which may be made while on a sampling trip. They are, of course, equally suitable for home consumption.

**Camp Fire Fudding**  
1 package orange-flavored gelatin  
1 cup boiling water  
1 cup orange juice and cold water  
2 oranges, free from membrane and cut in slices  
8 marshmallows, quartered  
Dissolve gelatin in boiling water. Add orange juice and cold water. When slightly thickened, fold in oranges and marshmallows. Chill until firm. Serve with whipped cream. Serves 8.

**Jellied Prunes**  
3 cups stewed prunes, seeded  
1 package lemon-flavored gelatin  
Heat prunes to boiling and dissolve gelatin in hot fruit. Chill until firm. Serve with sweetened whipped cream. Serves 8.

**Orange Cheese Salad**  
(Serves 6)  
2 packages of Philadelphia cream cheese  
1 cup toasted coconut  
1 head lettuce (inside leaves)  
Pare oranges and separate sections. Wash, drain and slice. Make into balls and roll in toasted coconut. On lettuce covered salad plates, place orange sections with 3 or 4 cheese balls. Top with a spoon of mayonnaise.

### CONFEDERATION LIFE INTERNATIONAL CONVENTION AT TORONTO

More than two hundred managers and field representatives are attending the International Convention of the Confederation Life Association at the Royal York Hotel, Toronto, this week. The Association's most successful underwriters from Britain, Cuba, Newfoundland, British West Indies, Jamaica, Trinidad, Guatemalan, Salvador, Mexico, Curacao, are present, as well as those from all the Provinces of Canada.

Mr. Charles S. Macdonald, President and General Manager, in welcoming the delegates on behalf of the Directors and Officers, referred to the fact that this was the Diamond Jubilee year of the Confederation Life Association having been established in 1871. From that beginning to the present day it has grown to be one of the most widely-known life insurance institutions in North America. Business in force totals more than \$100,000,000 and eighty million dollars.

Hon. George S. Henry, Premier of Ontario, extended greetings from the Province and referred particularly to the pleasure it gave him to see so many present from Great Britain and the British Dominion, as well as from various countries of Central America. Mayor W. J. Stewart gave the delegates a hearty welcome on behalf of the City of Toronto. At the official banquet on Thursday evening, the principal speaker will be the Hon. Dr. H. J. Cody, who will discuss the subject, "Canada Among the Nations."

Speakers at the business meetings were: Charles S. Macdonald, President and General Manager; John Marshall Holcomb, Jr., Manager, Life Insurance Sales Research Bureau; V. R. Smith, Assistant General Manager and Actuary; G. D. Devlin, General Superintendent of Agencies; J. H. Kirkwood, Associate Actuary; G. T. Varney, Manager for Great Britain and Ireland; Attilo Leon, Manager for Cuba; R. H. McVie, Superintendent of Agencies, Western Canada; Wm. Boulton, Superintendent of Agencies, Eastern Canada and Newfoundland; A. E. Lawson, Superintendent of Agencies, British West Indies, Cuba, Mexico and Central America.

A man unaccustomed to praising his wife went out of his way to call her an angel. "Mary," he said one morning recently, "you are an angel," and she felt charmed all day. In the evening she ventured to ask him why she had been so honored. "Well," said the wily man, "you are always finishing things up in a very happy and complete way, and by your own account, you have nothing to wear."

### News and Information For the Busy Farmer

**Toured Northern Ontario**  
Hon. Thomas L. Kennedy and a party of agricultural officials including heads of experimental farms, recently made a tour of Northern Ontario, visiting each of the experimental farms and many private farms. They reported that the farmers seemed remarkably prosperous and optimistic, having splendid crops, new barns and good animals. The itinerary of the trip in the course of which the Minister visited the experimental farms at Port Williams, Lock, the party from New Liskeard to Cochrane, whence a side journey was made to James Bay. The underlying purpose of the tour was to decide what the Government can do to assist the agricultural development of Northern Ontario.

**Lighter Bales Wanted**  
At the recent National Hay Convention in Buffalo strong complaints were made against the practice by Canadian exporters of baling hay too heavy, and many dealers stated that unless this fault is corrected they would discontinue handling the Canadian product.

**Many who regard luncheon as incomplete without a cup of coffee, prefer their coffee cold this time of year.** Those who do not already know of ice coffee or coffee punch should try these recipes:

**Ice Coffee**  
Make coffee a little stronger than usual—as ice dilutes it. Serve in large fancy or colored glasses with plenty of crushed ice. Sweeten to taste. Top with whipped cream or serve with plain cream. **GENERAL MOTORS CARS HAVE OUTSTANDING VALUE**

Look in the classified pages of your telephone book under "General Motors Cars" for address of the nearest dealer.

**HAS IT HAPPENED TO YOU?**  
by P.C.I.

Time: 5 p.m.  
Place: Kingston Road, 15 miles out of Toronto, coming west.

I was about half a mile from home, moving very slowly and more cars joining the procession every minute. Brakes thrust out of windows. I flashed up to the head of the line and got him with the goods. In an hour he was driving. I steered him onto a wide spot off the road and I told him... plenty!

They are a bunch of... they don't think of that.

But I'll bet he will give others a little consideration hereafter.

It was for his sake and the sake of all the rest of us, let's be hopeful!

**APPLE SEASON RETURNS**  
Speaking of timely topics, now that the apple season is here again, the Dominion Fruit Branch supplies facts about the food value of apples which have special interest to you.

The varieties of fruits consumed are numerous and their use is important to a proper diet, but no fruit is more valuable than the apple.

"An apple a day" is a real health message. They act as a tonic and regulator and thus are a pleasant as well as the most pleasant form of medicine one can buy.

They are a store of natural fruit sugar and thus provide energy. eaten raw between meals they satisfy the craving for sweets.

The water contained in apples is in its purest form.

They tend to promote proper elimination as skin and framework. Apples counteract a tendency to acidity as they leave an alkaline ash. A well masticated apple thus aids digestion.

Apples are a good source of vitamins, which are necessary to the body.

One large apple gives one hundred calories.

The apple is refreshing, cooling, stimulating and wholesome and may be eaten between or with the meals. They may be obtained nearly all the year round and because of their food value, their fine flavor, their abundance and popularity apples are justly termed "The King of Fruits."

**Accounts Collected**  
We place 40 years successful collecting experience at the disposal of those who wish their accounts noted, etc. with us.  
No collection—No charge

**Treasurer's Sale of Land in Arrears of Taxes**

IN THE CORPORATION OF GEORGETOWN, COUNTY OF HALTON

By virtue of a warrant issued by the Mayor of the Town of Georgetown bearing date of the 5th day of May, 1931, and to the Treasurer directed, commanding him to proceed with the collection of taxes on the lands hereinafter set forth, together with the fees and expenses thereon, all such being patented lands.

I, therefore give notice that unless the said arrears of taxes and charges thereon be paid, I shall on the 17th day of October, 1931, at the hour of 10 o'clock in the forenoon, and upon the following day or days, until payment is made, sell by public auction, in the Municipal Office of the Town of Georgetown, all such lands or so much thereof as shall be sufficient to charge the said arrears, together with the charges thereon, plus than 10% thereon.

Treasurer's Office, Georgetown, Ontario, This 5th day of May, 1931.

P. B. HARRISON, Treasurer of the Town of Georgetown.

Parcel No.	Lot No.	Plan No.	Street	Years	Taxes	Expenses	Fees	% of Impar-

2	2	3	Cavanagh	1924-30	\$82.51	\$55.00	130	Spak-

To P. B. Harrison, of the Town of Georgetown, in the County of Halton, Province of Ontario.

To W. J. Stewart, Mayor of the Town of Georgetown.

By virtue of the authority given to me under Chapter 238 of the revised Statutes of Ontario, 1927, and the amending Acts, and Chapter 260 of the Town of Georgetown, in the County of Halton, Province of Ontario, I, John Boyd Macdonald, Mayor of the said Town of Georgetown, do hereby authorize and direct you to levy upon the lands described in the return of lands to be sold for arrears of taxes by you in duplicate to me, bearing even date herewith, attested by my signature and the seal of the said Town, one copy being returned to me with this my warrant attached thereto, and to sell the said lands upon much thereof as may be sufficient to pay the taxes thereon, together with the fees and expenses chargeable under and by virtue of the aforesaid Act, and amending Acts.

As witness my hand and the seal of the Town of Georgetown, this 5th day of May, 1931.

J. B. MACKENZIE, Mayor

Select Lump for Domestic and Threshing purposes. Smithing and General Coal. In fact I carry everything to be found in any up-to-date Coal and Wood Yard.

**John McDonald**  
Phone 12 Georgetown

### JOB PRINTING

**LOVE LAUGHS AT TELEPHONE TOLLS**

Hospital days were lonely. Of course, her friends did all they could to keep her cheerful — her room was a bower of roses — but how she looked forward to evening when Jack could sit by her and talk of his day at the office.

Then came the news that he must leave town on business. She wondered how she could stand the wait until he came home. But Jack, wise fellow, knew how to bridge the gap. Promptly each evening at nine he called her over Long Distance and told her all the things she wished to hear.

Extravagant? ... not a bit ... for night rates are always inexpensive! What could be worth more-for what it cost?

**HE COULDN'T READ FOR INDIGESTION**

"For some years previous to 1922 I was subject to indigestion, with heart-aches and thousands of stars sparkling in my eyes, which prevented me from reading or doing any kind of work. That was August, 1922, and I have taken a little in my first morning cup of tea ever since. I now eat anything, and am entirely free from indigestion or stars." — P. C. I.

Now let it be said quite definitely, that what Kruschen did for him, it will do for everybody else who suffers from indigestion. The fact is that "The Little Blue Pills" first stimulates the flow of pancreatic juices to aid in the digestion of every complete, regular, and unfulfilling meal of all its waste matter every day.

Soon after you start on Kruschen you will begin to feel the benefit. You will find that you are enjoying your food without any distressing after-effects. As you progress, you will find that the relief which Kruschen brings is lasting relief.

**Evening rates (7.00 p.m. to 9.30 p.m. local time) are considerably lower than day rates on "any-one" calls. Night rates (9.30 p.m. to 4.30 a.m.) are lower still.**

**"Not a chance"**

We guarantee money back if you don't like this tea. That's how sure we are.

**RED ROSE TEA**
