Re-arrange your week. Why in the world should Monday be wash-day when you use a laundry? Why not Friday or Saturday? Every day is washday in this laundry and if you prefer sending your bundle at the latter part of each week we would be very glad to have our driver call. Remember, we have eight different kinds of family wash service. Each of these takes the wash one step nearer to completion and makes it possible for a housewife to pay for her wash or a little less than she actually needs — doing the laundry herself — or having us do the whole thing. Phone today and let our young lady explain these services to you — or stop any one of our courteous drive-salesmen.
