#### COFFEE TO EAT

By Betty-Barclay

real coffee-lovers know that it is also made to eat. It provides delicious flavoring for cakes, ples and puddings, often-times transforming a plaineteryday dessert into a piquant, and delicious dish. Coffee blends well with most other ingredients, too. Here is a recipe for a tasty coffee pudding:

Cubanola Cream 314 cups milk

w cup cornstarch teaspoon salt cup heavy cream 3 tablespoons ground coffee

cup sugar tor a little less 1 egg white & teaspoon cinnamon extract,

before it is poured in.

#### HONEY ICE CREAM pint milk.

cup heavy cream cup strained clover honey junket tablet

tablespoon cold water 14 teaspoon lemon extract

ture to lukewarm (110 degrees P.) Not the Royal Winter Pair, Toronto, if it Hot. Remove from stove, add flavor- is requested. This is because the Win- structions from a few-seconds. Then pour at once its tenth "birthday." firm and cool. Place in ice and salt

#### FAMILIAR VEGETABLES IN NEW

Two dishes with unusual appetite appeal are Tarte aux Oignons and Spinsch a la Touraine. Both show the French knack of achieving particularly delicious results with everyday foods. In both, one of the secrets of sugar to restore the natural garden flavor of the vegetables and to blend the flavors of the other seasoners. A hint worth remembering in of sugar as a seasoning agent adds to the tastiness of a wide variety of fresh and canned vegetables.

Tarte aux Oignons in a quart of cold, salted water. Add had bought 55,000 bushels of certified stein cow, 7 yrs, supposed to calf Jan a teaspoon of sugar and bring to, a seed from outside the province last boil on a quick fire. Cook a few year. It was stated that we have an minutes. Remove from the fire and drain. Add the outons to a quarter of a pound of butter that has been on the fire and live and of butter that has been on the fire and live are lightly browned. Add three there are the province last the province last of calf Jan. 17th. Practically all these cows were raised on the farm. 12 drain. Add the outons to a quarter of a pound of butter that has been on the fire and live are lightly browned. Add three there are the province last of certified stein cow, 7 yrs, supposed to calf Jan. 17th. Practically all these cows were raised on the farm. 12 drain.
