Fever Attacks Cattle

Several farmers in this district have lost cattle through inroads of shipping fever, which is somewhat pervalent in this section. It is not by any means epidemic, Dr. Frank Cote, veterinary inspector, said today, but several farmers, particularly in the northern section of Wellington county, have suffered, one man losing six animals.

Larry Credagina Captured

A prisoner by the name of Larry Credagina, who escaped from the Ontario Reformatory at Guelph last week was captured in Georgetown just above the white bridge last Thursday. Chief Marshall of Georgetown assisted in his capture and received a letter from the Superintendent of the Reformatory thanking him for his valuable co-operation in capturing the prisoner.

Bad Smash on Highway

Saturday evening last about 7.30 o'clock a car driven by A. B. Collins of Toronto ran into the rear of a wagon being driven by John McMeekin of Norval, on No. 7 Highway between Georgetown and Norval. Mr. McMeekin was accompanied by his hired man who was leading a horse behind the wagon. The horse which was being led and one of the team were so badly injured that they had to be destroyed. The hired man was thrown from the wagon but escaped injury. Mr. McMeekin was stunned by the collision but able to go home. Mr. Collins was badly cut by flying glass. He received medical attention and was able to return home next morning. Both the car and wagon were badly damaged.

EXHIBIT OF OIL PAINTINGS

An exhibit of Oil Paintings from the Ontario School of Artists will be held in the Library auditorium in the afternoons, and evenings of Tuesday 26th to Saturday 30th of January. This is an entirely different exhibit from the one which was so favourably received and enjoyed last year and it is hoped that increased numbers will avail themselves of this opportunity of viewing the works of the outstanding Ontario artists. It is anticipated that one of the leading artists will address a public meeting on Thursday evening, Jan. 28th, at 8 p.m.

CANTOR SCORES HEAVILY IN "PALMY DAYS" HIS LATEST LAUGH FROLIC

Brazenly labeled as simon-pure nonsense, "Palmy Days," the new Eddie Cantor song-and-gag festival comes to the Gregory Theatre, Tuesday, and Wednesday, Jan. 26th and 27th, as Samuel Goldwyn's successor to their inaugural "Whoopee."

"Palmy Days" seems a logical step forward in pictures from Goldwyn's "Whoopee." That brightly colored festival of fun, music, song, dance and Eddie Cantor more or less served as the last and greatest of the old order of screen musical comedies, owing most of its style to the legitimate stage.

The new Cantor film, "Palmy Days" strikes out a new field for itself—on that is certainly to be made large as a new vogue in screen entertainment. For Goldwyn's under-clad, eye-filling beauties go through their thrilling dances only when a dance seems to have some rhyme or reason in the story,—in a gymnasium, for instance or at a moonlight party. And Con Conrad's tuneful songs are heard not to punctuate or stop the story, but as a part of it. The songs and dance become woven into the plot.

MOTOR COACH TIME TABLES CO-ORDINATED

Passengers travelling from one Ontario point to another are now assured of a practically uninterrupted through service, through the co-ordination of the time schedules of the fourteen principal coach lines operating in the Province. This development, according to A. H. Foster, Vice-President, Ontario Association of Motor Coach Operators, means the elimination of all unnecessary stop-overs and delays in motor coach travel. The new arrangement has been worked out with the co-operation of the Ontario Department of Highways, to which all proposed schedules of rates and services are submitted for approval by motor coach operators.

Within a few days, a joint time-table will be available in pamphlet form at all coach operators' offices. A passenger wishing to travel, from, for example, Hawkesbury on the Ottawa River, to Penetanguishene on Georgian Bay, can readily determine the time required for the journey. Toronto remains the principal point for travel between such important places as Montreal, and Detroit and Chicago, and is the terminal for coach lines from Eastern and Western Ontario points. In Toronto, Hamilton and other places where several services converge, the Highways Department has urged and approved the establishment of common terminals for the convenience of coach patrons.

Present efficiency in Ontario coach service follows several years of close co-operation between the operators and the Department of Highways. No one can establish an interurban bus service without the sanction of the Provincial authorities and the permit is contingent upon the operator's maintenance of standards which the Department has established for the convenience and protection of the public. Taxation of interurban buses, it is pointed out, comes to something around, $1000 annually for a typical 29-passenger coach travelling 30,000 miles yearly on the King's Highway. Such a coach would pay $145 in licence fees, about $350 in gasoline tax, and $525 for seat tax, or a total of $1020. Further, the contribution of coaches to highway maintenance has been increased recently by higher license fees. All of the modern vehicles such as those in use on the principal lines, are equipped with balloon tires and in the opinion of engineers these tires are not destructive of the modern type of highway which has to be built of a definite thickness to withstand climatic conditions, regardless of the amount of traffic over them.

LEGISLATURE SESSION SET FOR FEBRUARY 16th

Opening Date Decided at Cabinet Meeting — No Decision on Hydro Enquiry Board

Ontario legislature will open on Wednesday, Feb. 10th, Premier Henry announced at the conclusion of a 3-hour cabinet meeting. This will be the 3rd session of the 18th legislature in the history of the province. The date is six days after the opening of the federal house, and as to time of the month, in keeping with former openings.

Premier Henry added he anticipated that the house would complete its business in the usual time, proroguing before the Easter holidays.

At the same time it is expected that the forthcoming session will be one of the most momentous in the history of the province, in view of the present financial problems on retrenchment now facing the Henry government, together with anticipated discussion on hydro matters.

Premier Henry stated there had been no decision in regard to appointment of a royal commission to probe hydro although he was in conference for some hours with Hon. J. R. Cooke, chairman of the hydro commission. The government, of course, still has some time to decide upon a probe before the house opens, which would prevent any discussion during the sitting. On the question, however, the debating powers of the opposition on hydro have not carried much weight and it may be that the government intends to struggle through the session at least. It may be that they would decline to embark on a large expenditure for a probe in view of present financial conditions.

"GEORGE and BLOSSOM" COMING TO GEORGETOWN

The Georgetown Branch of the Canadian Legion has made arrangements to bring the successful Costume Party "THE FOLLIES" to Georgetown on Monday, Feb. 8th when they will appear in person at the Gregory Theatre. "The Follies," who appear in smart pierrot costume are presenting a new, novel and humorous entertainment, which has delighted the large and enthusiastic audiences which this original attraction has met with in every town in which they have played. The show consists of a medley of bright numbers, musical and otherwise; clean, lively humor; clever character impersonations, which constitutes a sparkling program with an appeal to all. The performance finishes with an episode from the lives of "George and Blossom" those two lovable characters made famous by Dr. and Mrs. Frank Carlton, (who appear in person) during the two years of daily presentation over the radio. "George's Birthday Present" is fifteen minutes of rollicking laughter and a fitting finish to an entertainment, which is different to any which has previously been seen in Georgetown.

BOY SCOUTS

The second meeting this year was held on Wednesday evening, Jan. 13. The troop was very pleased by a visit from a former Troop Leader whom they had not seen for some time. He was invited by the Scouter to come regularly and assist at the meetings.

An attempt to obtain perpetual motion almost succeeded when one of the boys brought a box of chewing gum and passed it around. However it was a failure because the Scouter objected to the musical efforts which accompanied the facial contortions.

Many games were played and all those present enjoyed the sport. The Beaver Patrol seems to be flourishing under its new leader and they will undoubtedly give the Foxes much competition, perhaps too much.

After the meeting the Scouter and the two patrol leaders remained behind to make plans for a concert which will be presented to the public in the near future.
