Are YOU a Gambler?

Are you gambling a whole year's profit for the sake of a few cents on a chick? Many farmers, with a whole year's success hinging on the quality of the chicks, go shopping for them on the price basis. The sharp man recognizes the value of good seeds and proper preparation of the soil for the seed but think chicks don't come under the same rule. They are not like the poultryman of whom another said, "He'll eat pork and beans three a day if need be, but will have the money to buy just the best chicks."

OUR chicks cost us more to produce so we must ask a little more for them. But the orders on our books show that our customers feel that the chicks are worth more to them than cheaper chicks. Let us send you particulars and prices of chicks from this wonderful strain of Leghorns produced by Walling of British Columbia. MAY AND JUNE CHICKS ARE IS CENTS A PIECE IF ORDERED BEFORE MARCH 1st. ARE EASIER TO RAISE AND LAY RIGHT THROUGH THE WINTER WITHOUT MOULTING. Send your deposit now, 2 cents per chick books your order. We are members of The Hatchery Approved and Canadian Baby Chick Associations and an Ontario Breeding Station.

ERIN

A kitchen range was blown to pieces in the Globe hotel kitchen, Erin, on Wednesday evening of last week. Mr. and Mrs. A. J. Horton and family were listening-in on the radio about ten o'clock when the explosion took place. It is supposed the hot water pipes became clogged. The family cat which was sleeping in a chair nearby was killed. It was fortunate that none of the family were close to the stove at the time of the explosion.

H. L. Richardson, Minister of the Church of Christ (Disciples), narrowly escaped what might have been a serious accident, the other day, when he found his car acting strangly and on investigating discovered a bolt in the steering rod broken. He managed to manipulate the mechanism sufficiently to get to his destination at Erin, where the broken part was replaced. The rutty roads were of course responsible for the break, and the wonder is there are not more accidents with motor cars, now that the roads are in an almost impassible condition.—Advocate.

ASHGROVE

The February meeting of the W.I. was held on Tuesday afternoon, the 16th at the home of Mrs. Earl Wilson with twenty-six ladies present. A question drawer contained many helpful topics for discussion. A paper on manners and morals in the home was very ably presented by Mrs. Frank Ruddell, and Mrs. C. B. Dick gave several items of health interest. Two well rendered piano selections by Miss Lula Graham and community singing from the new song sheets of the Institute was the special music for the afternoon.

On Sunday evening the Y. P. S. gave a fine missionary program. Devotional exercises were conducted by Mr. John Bird and the roll call was answered with a verse containing the word serve or service. "Why Christian Missions?" was the subject of a paper taken by Mr. Arthur Ruddell, supplemented by brief comments by several members. Mrs. H. Wilson read a letter from a native Bishop of India. Short papers were read on mission work in China, by Mr. Harvey Nurse, and in Africa by Mr. Alex. Douglas. Miss Margaret Giffen played a piano solo and Miss Evelyn Walsh sang.

Mrs. C. B. Dick is spending a few days in Toronto.

Mr. and Mrs. Clement Reed of Cardale, Man. visited Mr. and Mrs. Arthur Ruddell last week.

Mrs. Tyndall returned last Saturday from Florida and is visiting her sister Mrs. Morrison.

ACTON

Mr. and Mrs. John Dunn, Miss Anne Dunn, and Mr. and Mrs. Wm. Thompson attended the funeral of Mrs. David Carty in Hamilton last Saturday.

Ex-Warden and Mrs. A. Matson left this morning by motor for a holiday trip to Florida. They will be several weeks on this vacation tour to the south.

Mrs. R. H. Wanstrough, who had the misfortune to fall on the icy sidewalk at her home here, a week ago, is now recovering nicely at the home of her daughter, Mrs. McKay, in Toronto.

A former and highly esteemed resident of this community, in the person of Mrs. David Carty, passed away at her home, 363 Wellington Street North, Hamilton, on Thursday, Feb. 11. Her maiden name was Mary Reddle, and she was born in the Township of Arthur. Forty-seven years ago she came, a bride, with her husband, David Carty, to the old homestead, on the first line of Esquesing, Dublin. Here they spent twenty-eight years of married life and five children were born, four boys and one girl. Nineteen years ago, to satisfy the wish of their eldest sons, they sold their farm and moved to Hamilton, much to the sorrow of their friends and neighbors. Fifteen years ago her husband, who had been an invalid for years, and was tenderly cared for by Mrs. Carty, died.—Free Press.

MILTON

Charles Jones, who has been confined to his bed for several weeks as the result of falling on ice at his home and breaking his right wrist, is, we are pleased to say, able to be out again.

We are glad to say that Mrs. Burgess Coulson of Lowville, has returned from the Guelph General Hospital and is improving in health at her home.

The many friends of Mrs. Gilbert Kingsbury, Nassagaweya, who fell and fractured her leg at the thigh some time ago, will be pleased to learn that she is making good progress toward recovery.

Mr. and Mrs. J. M. Denyes, of Milton, announce the engagement of their daughter, Freda J., to Mr. A. James Mylrea, son of Mrs. Elizabeth and the late Mr. Philip Caine Mylrea, Toronto. The marriage will take place this month.

Gordon O. M. Featherston died at his home at Agerton, on Saturday, Feb. 13th. He was the youngest son of the late Mr. and Mrs. Jonathan Featherston, and was born on the homestead, where he resided. He is survived by his widow, three brothers and two sisters, all of Trafalgar township, Thomas, Ira, Edgar; Mrs. Clifton and Miss Lily. The funeral was held on Tuesday afternoon, Rev. J. A. Neil officiating. Interment was made in Bethel cemetery. The pall-bearers were; M. Leary, Carole Featherston, Russell Smith, Clarence Hall, Wm. McClure and Chas. Aldwell.—Champion.

WHAT ABOUT THE HOUSEWIFE'S FATIGUE?

IN the business world they made studies of operations so that workers will not become too tired and thus, toward the end of the day, begin to be less efficient. No one thought until recently, to make such studies in connection with the work of the Housewife. But manufacturers of modern PLUMBING FIXTURES, for example the KITCHEN SINK, have really taken great pains to make height, width, working-space and so on, so that they will keep the Housewife from over-fatigue in her important kitchen duties.

You will enjoy our display of modern SINKS in white and color.

Turning S-l-o-w Sales into Swift Turnover

¶ You've got to put forth every effort to keep Georgetown and District folks coming to your stores and buying in your stores.

¶ Advertising in the Herald can help accomplish that aim. Not only your own advertising, but the advertising of the manufacturers whose goods you stock as well.

¶ You cannot get the advertising support of these manufacturers merely by wishing for it. You've got to make the manufacturers realize how necessary it is to you, if you are to sell their goods successfully.

¶ And you can make the manufacturers realize it by selling their salesmen who call on you, on Georgetown—by interesting them in Georgetown as an outlet for your merchandise—by interesting them in your local, home newspaper as the means to more sales of your merchandise in Georgetown and district.

¶ This is an opportunity, you merchants of Georgetowns, that you should make the most of, one that may mean all the difference between slow, infrequent sales and quick, profitable turnover.

YOU NEED THE ADVERTISING AID OF THE MANUFACTURERS WHOSE GOODS YOU STOCK—URGE THEIR THEIR SALESMEN TO RECOMMEND YOUR LOCAL HOME NEWSPAPER.
