You get away ahead of the traffic and you do not have to shift gears so often. Secondly, you can drive as fast and as far as you like without any sense of strain or fatigue. In addition to these great advantages, Chevrolet offers you Free Wheeling with safe, silent Syncro-Mesh gear shifting. It gives you 60-horsepower performance with lowest operating costs of any full-size car, regardless of the number of cylinders. And Chevrolet provides Bodies by Fisher - smarter, roomier and more lastingly quiet. Drive a Chevrolet Six.
