MALCOLM McLEAN

In the passing of Malcolm McLean in Acton Sunday morning that town lost a beloved citizen. His popularity was evidenced by the many positions of honor and trust he held in the community, and also by the tributes of love and respect paid him in his illness during the past several weeks. He was born in Manilla 69 years ago, but spent the greater part of his early manhood in Lindsay with his uncle, the late Judge D. J. McIntyre. For the past fifteen years he had been a leading merchant in Acton, and all undertakings for the betterment of the town and surrounding country had his support. Loving sympathy is extended to his wife, and his daughter, Mrs. Norman Lambert of Winnipeg. Interment took place in the family plot in Lindsay on Tuesday, March 15th.

JOHN GIBBONS, Acton

The death occurred on Saturday, March 5th, of Mr. John J. Gibbons, at the home on the third line, Esquesing. AN INTERESTING LECTURE

Owing to the very cold and stormy weather there was only a fair attendance at the illustrated lecture on a "Trip to the Old Land," given by Hon. Duncan Marshall in the town hall on Monday evening, under the auspices of Esquesing Agricultural Society.

Mr. Ed. McWhirter, President of the Society was the chairman of the evening, and after musical numbers by Mr. and Mrs. J. W. Nickell of Limehouse, and a reading by Miss Charlotte McCullough were enjoyed by the audience, he introduced the speaker of the evening, Hon. Duncan Marshall.

Mr. Marshall's lecture, illustrated by several reels of motion pictures taken by himself while touring the old land, was very interesting and instructive. The splendid showing of live stock at the one hundredth anniversary show in Scotland was specially good, and the many beautiful estates and country scenes in Scotland, England, Holland, Belgium and France, together with the speaker's very excellent portrayal, combined to make up an evening that was thoroughly enjoyed and appreciated by all present. Mr. Marshall explained that it was through the generosity of the Massey-Harris Co., who had provided the machine and other necessary equipment, that he was able to present the pictures.

A vote of thanks moved by W. A. Wilson and seconded by T. L. Leslie was tendered to Hon. Mr. Marshall for his excellent address, and to the other talent who had assisted in the entertainment.

CORRESPONDENCE

Dear Editor:—

Some people appreciate the press (just as some people do the church) and some people don't. I want to thank you on behalf of our Church (and perhaps I may speak for "Churches") for your generosity and thoughtfulness towards us in the Church News Column of your valued paper. Many favours are ours even in free advertising—yet, let me say, that many church organizations do not favor the policy of putting the Church's life in charity's sphere. I thank you for your generous space. And in saying this I have no "axe to grind" nor have I a desire to "sell you a ticket" for anything. Rather I should say you are always to be treated by us as a welcome guest, and co-worker.

A. L. HOWARD.

[Thanks Brother Howard; a few flowers now are worth much more than hundreds of boquets when our sense of smell has departed. Any word of appreciation makes the bumps on life's long trail just a little smoother when your tires are getting a little flat.—Ed.]

Halton and Peel Jersey Cattle Club

PETER DICK OF GEORGETOWN ELECTED PRESIDENT

While members of the Peel and Halton Jersey Club, which met in Brampton last Saturday, were somewhat disappointed in not hearing Samuel F. Crabbe, ex-president of the American Jersey Cattle Club of New York, who was unable to be present, they was given an excellent address by R. W. Wade, director of Ontario live stock branch, Toronto.

Mr. Wade, who was introduced by J. M. Dolson, said that breeders of this district were particularly fortunate in having the largest Jersey farm in the Dominion located near them. He advised them to make better use in the future of proven sires lent by the B. H. Bull & Son farm. It was the annual meeting of the club and Peter Dick, Georgetown, was in the chair.

It was again decided to sponsor a calf club in Peel county and give cash prizes for best Jersey calves at school fairs in Halton.

The following officers were elected: Hon. presidents, D. O. Bull, J. M. Dolson, James Steen; president, Peter Dick, Georgetown; 1st vice-president, Hunter Arnott, Huttonville; 2nd vice-president, Edward Harrop, Milton; secretary-treasurer, Robt. Segsworth, Brampton; directors, Watson Wiggins, Caledon; Frank Chapman, Malton; R. J. Graham, Georgetown; Ward Ruddell, Milton; Hugh Black, Milton; Cyril Clark, Britannia.

Robt. Segsworth, Brampton, addressed a meeting of the Peel Calf Club in the department of agriculture offices on Saturday night on "Rural Problems." Thirty-five boys were present. Chas. Lowe, Brampton, gave a short talk on calf club work.

CELEBRATED GOLDEN WEDDING AT GLENDALE, CALIFORNIA

Our issue of March 16th, 1882 recorded the marriage of W. B. Unsworth to Lizzie Duncan of this town. The ceremony was performed by the Rev. Joseph Unsworth, father of the Groom, who was the Congregational Minister here for 30 years.

We now report the golden anniversary of that wedding, celebrated at Glendale, California, and, as stated in our announcement of the marriage 50 years ago, still with them many years of "sweet companionship."

"Romantic—Georgetown was the scene of romance in real life last week. When we retire from the arduous duties of newspaperdom, we shall take up the narrative and startle the world with a thrilling and fascinating tale about the whole adventure. It appears that a young, handsome and wealthy Manitoban came down to Georgetown on a visit to his friends, and was lucky enough to encounter a handsome young lady with a pair of dark eyes, whose fascinations were of course fatal too "utterly utter" for him to resist. An engagement, short, sharp and decisive, was followed by a marriage ceremony, and the happy young couple at once left for the land that floweth with milk and honey. And now the young men stand about in little knots discussing the situation, expressing their consternation at the event and evidently calling to mind the words "faint heart never won fair lady." Our richest benediction follows the happy couple. "Long may they live to enjoy sweet companionship in the wedded life."

A woman motorist was driving along a country road when she saw two repair men climbing a telegraph pole. "Fools!" she exclaimed angrily to her companion, "they must think I've never driven a car before."

Georgetown Still Hold Peter Smith Trophy

DEFEATED ACTON 5 TO 0 ON ROUND

Georgetown Juniors defeated the Acton Juniors 5 to 0 in the first game for the Peter Smith Trophy last Wednesday night. The game was an one-sided as the score, Acton having no practice whatever this year were completely skated off their feet. Georgetown having played in the O.H.A. were much the better team and deserved the win.

The return game was played, here on Friday night. There was only a fair crowd and the game was far from a good brand of hockey. Rough tactics were used and many minutes were spent in the penalty box. Both teams were unable to score in this game and when the final gong sounded the score on the round was still 5 to 0. The Georgetown boys will hold the Peter Smith Trophy for another year.

Kentner of Acton was referee.

COUNTY COUNCIL

A regular meeting of Halton County Council was held at Milton on Tuesday. The principal items of business were the presentation of reports from the auditors, the County road superintendent and the County representative of the Department of Agriculture.

Edward Agnew appeared before the council with reference to the closing of freight service at the C.P.R. station at Campbellville. He asked the county to take action to make the railway company live up to an agreement signed by the company and the council in 1871, wherein the company agreed to maintain a station at Campbellville in return for a grant towards building the line. The County Clerk was instructed to write the railway board commission, Ottawa, and to take the matter up with them.

At the last meeting of the county council, the resignation of David Hutcheon as county treasurer was received to take effect on April 1. On Tuesday it was stated that the resignation had been amended to take effect from date and accordingly a resolution was passed accepting the resignation and tendering the thanks of the council to Mr. Hutcheon for his efficient and courteous services during the past nineteen years.

A by-law received three readings in which H. M. Pettit, county clerk and assistant treasurer, was appointed in the joint office of county clerk and treasurer at a salary of $2200 per annum. The salary was made retroactive to Jan. 1. Mr. Pettit was also appointed treasurer of the Board of Management of the Gordon Home in place of Mr. Hutcheon.

A. G. Kirstine, District Agricultural Representative, presented his annual report, which was very satisfactory in view of the general conditions.

John F. McCallum and A. Mayes were apointed caretakers of the county buildings at a salary of $300 to be divided between them.

The statutory grant of $500 was made to the county agricultural representative.—Champion.

Local Council of Women

The regular meeting of the Local Council of Women was held at the home of Mrs. Cordingley on Feb. 26th.

The principal feature of interest was an address by Miss Appelbe on the history of the County of Halton, and she was listened to with the closest attention, as she told of the forming and the naming of the county, the early pioneers and of the efforts being made to collect and preserve all the information concerning the naming of townships and places, the allotting of land, and granting of crown deeds, and stories of the early settlers. She was given a most cordial vote of thanks for her talk. Tea was served amid a continual discussion.

Mrs. Cordingley was also cordially thanked for her hospitality.

Arrangement was made for the annual St. Patrick tea, and the meeting closed, everyone feeling that it had been a particularly pleasant and profitable one.

STEWARTTOWN

A second meeting of Rural Telephone Subscribers was held at the Council Chambers on the 14th. Mr. A. G. M. Bruyns was elected chairman, Mr. Geo. Nurse was secretary.

The answer from the Bell Telephone Co. to a letter from the committe of subscribers was read by the chairman. As was to be expected the Company would not (yet) lower the rates, but as the extreme difficult situation of the farmers was appreciated, the Company would consider extending credit to those who were unable to pay.

The meeting considered it unwise however, for the farmers to increase their debts. The only alternatives for the farmer, dictated by economic conditions are: "Lower rates or no telephone."

A letter from the Farmer's Sun was read in which this paper promised all co-operation.

An interesting discussion developed around the great and burning question, "What can be done to better the farmer's position?" The answer of the meeting was: An independent non-political farmers' union, it's only aim to promote parity between the prices of agricultural products and the prices of all other commodities.

Mr. C. O. Plank from Acton was appointed as a member of the committee.

In answer to a request from Acton and Milton subscribers, it was resolved to organise a meeting at Acton on Monday 21st and at Milton at a later date.

There will be a speaker at these meetings.
