Cherolet Now Builds a Complete Line of 2-TON

> **HEAVY DUTY** RUCKS

NOW Chevrolet brings matchless economy of gasoline, oil and upkeep to the heavy duty truck field. Moreover, the complete line of new Chevrolet 2-ton Heavy Duty Trucks are built specifically for the strenuous kind of heavy hauling service.

For example, Chevrolet six-cylinder Heavy Duty Trucks have the Clark full-floating rear axle, especially developed for heavy duty work. Clark heavy duty four-speed transmission is another feature of these trucks. In addition, Chevrolet trucks have a special, six-cylinder truck engine - smoother, faster, more powerful and with longer life. The pressed seet channel frame is exceptionally deep and rugged. A special truck clutch is provided. Wheels are interchangeable throughout and there

Chevrolet Heavy Duty Trucks are built on two wheelbases - standard 131-inch, and 157-inch for hauling Bulky loads. There is a wide variety of body types to suit every heavy hauling field.

Before you buy any Heavy Duty Truck, get the new Chevrolet specifications! You will find a model exactly suited to the work you have to do - a 2-ton Chevrolet Heavy Duty Truck at one of the world's lowest truck prices and with lowest ton-mile operating costs!

who also looked on marriage as a joke. Well, marriage wasn't or joke. The rector knew that. He listened to the sound of his own voice, and found himself faintly surprised as he always was that the words could come forth in all their solemnity and careful intenstion without any particular conscious guitance. It was a habit, re-turally. He had married many, many scores of coopies.

He didn't know this groom. That is he had met him only hurriedly. He was young and quiet; more or less penniless, but with a name. A nice chap, rather bewildered by all this pomp.

Even now, standing there stiffly, beads of moisture were oosing out upon his forehead. Nervous, of course. Well, they usually were. Particularly when they were marrying money. The rector, reciting the words of the had found this young man, for find
