How It Works

One of childhood's choicest Country to join their mother. will be: "How does it work" and it seemed a whelly enthralling ides to two young pessengers, who recently travelled from Notting-ham, Engiand to Lemberr, Sask, when Engineer Fred Munt of the Canadian Pacific Railway invited them into the cab' of his integral and their kindly trior in a route Picture about the interested them into the cab' of his integral and their kindly trior in a route reverse traveller were walter and the representation of the mysteries of the granter of the street engine.

Willie Wilson and I and I ware And what how of the grant canada er

THE TURNING OF THE BOAD And sad with needless vearning.

Then will vanish our weariness, doubt Our hearts will be filled with He But a rift in the clouds will some day work.

The bright eager sunbeams struggling thru, Giving glimpses beyond of the a clear And a brighter' to-morrow revealing. Our hearts may be burdened with sorrow and care. Too sad for a song and too weary for Dismayed at the troubles we meet Lawrence; hopefully.

greet our view.

#### THE FAMILY JAR By Ira Rich Kent

honeymoon journey to take up Aunt Marietta." their honeymoon residence in what is the prettiest as well as the smallest cottage in Par Vales, they brought with them a large sump of curiosity.

One fifth of it was Liewrence's and considered and co ing a month, and whence she had dis- ing on the front stairs.

corner of your happy lives there, and turtle"), were all sound asleep. be each day a pleasant reminder of your old aunt's affection." Gertrude's eyes glowed with the repactity of the grift-hungry bride.

Lawrence; a whole tea-set of Prank- solid.

is a Frankfort porceiain dinner set. I edge, to allow room for the bulky jar. "Do you believe in God?" he asked cognizable by anyone who has lived in a small town. "Nor I," said Lawrence, dublously. on its base. He slipped on the stair. "Do you, "In fact, I think that's a trifle low. If it tottered on the verge. He put out ed again. hundred and twenty pieces!"

down at three-hundred and seventyyou're wasting time, too, Go straight and get the hammer. I want to unpack every durling place of that din-

deal, and the box a little more; he awake than they had previously been tore a distressing hole in the scnee of sound seleep.

But he opened the case neverthe- some," he chackled. less, for he was persistent as well as stout. The list of the strew—and trude was too divided between conflicting emotions of alarm and hysterical business people, farmers and wage—strike beap on the pantry floor, while her disheveled husband giared at the few strew and to divide district beap on the pantry floor, while her disheveled husband giared at the few strews and the pantry floor, while testimonial of him Aunt Marietta's floor of the first half stage covered.

His bad pun went unnoticed. Gert-tot is have conflicting himself by name: "Rodney business people, farmers and wage—samily reduced, salaried people, dressed himself by name: "Rodney business people, farmers and wage—samily young man purchased at it in a men's furnishing store. When he came to burgher had forgotten it. And the first half stage covered—mother to heaven?" affection. Poor generous, rich Aunt floor of the ting hall was coveredeverytody else did the same, who fragments. bought and gave carelessly and extravegantly but, oh, so affectionately! "Don't look so dismayed, Gentrude; will serve Thee."

Shades of the curs, the tea-est, the disper-set! Aunt Marietta's wedding at!" gift was an ornamental porcelate jar "Oh, Lawrence, how can you speak of most florid. Chinese pattern, wide like that!" Gertrude clasped her

"Where are we going to put it."

The jar became a peripatetic. It features into an expression of comstarted in the front hall; then it abode passionate sympathy. "How could you laugh, when for a month in the tiny parior, till a "tea" came along and was held only ruined—our beautiful tar! You know by trundling the porcelain monster in- k was beautiful, Lawrence; and

to the laundry. Somehow Lawrence hadn't been so big, it couldn't have forgot to fetch it out of its seclusion saved us. And it was your there for several weeks, until his wife's Marietta's wedding present, too! Oh! But some day, somewhere, the turn active conscience made it impossible Oh!" And Gentrude sat down in the for him to lorget it any longer. So it very midst of the fragments and went! came back to the parlor once more. "Let's try it in the other corner this the Trefethen parlor is a figured and the time from the hurry and bustle He did the best he knew. time," said Gentrude. Lawrence, with really quite handsome bit of porcelain, of immediate life to reflect upon the Nor was to truth untrue. his coat off, laboriously took the jar some four inches square, mounted like off the pedestal, carried the pedestal a tile in the chimney breast. It is all across the little-room and tugged the that is left of the Chimese jar.

> didn't think it was going to come out and farther into oblivion, and its for each individual, but coming surely quite so far. It'll have to go back virtues glow brighter. where it was." And Lewrence dutifully, but with little grace, undid his thing you ever saw," she concludes are full of the dreams of ripe, success- wisdom that has come down to him "Its 'each day a pleasant reminder," were heartbroken when we found it plans. The world is an oyster wait- has evolved a rule for measurement

"What for? It would only be" solid black mess of lines," signed his wife despairingly. "I certainly believe there isn't an inch of space in the house outside the pantry that it hasn't sometime passed over.

"There's the coal cellar left,"

Lawrence arose with a groun and school section included in the townprepared to take up his burden. chip school area shall cease to exist, what a monstrosity a thousand miles, if I then therein shall be dissolved." WHEN Mr. and Mrs. Lawrence have a foot," he complained. "I'm go—The new policy recalls former Preing to smesh it—Aunt Marietts or no
