Opening of New Club Room

The culmination took place last Friday evening of weeks of work. The club-room of two new organizations was opened and dedicated. St. George's Men's Club is an association of men who are interested in St. George's Church under the presidency of Mr. Rigby. This club includes men from twenty-one years of age upwards.

The Sons of St. George's likewise just organized takes in the young men of the church. The club-room was secured, the key clubs proceeded to convert the useless shed into a complete and commodious club-room, doing all the work themselves, and achieving something very creditable. Some finishing-up, and painting, remains to be done, but the room is ready for occupation.

On Friday evening a large number of the congregation, both men and women, gathered in the club-room for a special general invitation to see it, and to participate in the opening ceremony.

Mr. Rigby occupied the chair, and after a brief opening, addressed the people assembled, outlining the inception and aims of the club, saying the programme would be one of education, work and sociability. He then secured the key clubs proceeded to give approval of the club, congratulating them on their work, and assuring them of hearty co-operation. He then invited the people to stand and join in the brief service of dedication of the club-room.

Songs and community-singing followed, then an adjournment was made to the church basement for a further pleasant musical programme and refreshments.

The men of St. George's are to be congratulated on their initiative in creating a useful room out of a useless shed. Incidentally they had a lot of fun going the job. Nor were comforts for the inner man lacking during the work, as one would see Fred Knight and his faithful crew wending their way into the church kitchen, at the correct hour, where they would have a cup of hot tea—or would they forget to wash the dishes.

ASHGROVE

The Easter Thank-offering meeting of the W.M.S. was held at the home of Mrs. C. B. Dick with a good representation of members present. The devotional exercises were conducted by Mrs. Neill and Mrs. Bulla, after the roll call which was responded to by "What Easter means to me" the study chapter was presented by Mrs. Seward Wilson. Mrs. Henry Wilson read an account of a visit to the Lord's tomb by the late Dr. W. T. Gunn. Mrs. Clayton Wilson and Mrs. Earl Wilson sang a duet entitled "There is a green hill far away." After the close of the meeting, there was a sale of plants, seeds and other articles for the expense fund. Lunch was served by the hostess and a social time was spent.

The play "Eyes of Love" played by the Stewarttown A.Y.P.A. in the basement of the Ashgrove United Church on Monday evening was a very enjoyable entertainment. A goodly number came out in spite of the unfavorable weather and the bad roads. The presentation of the play under the direction of Mrs. Baily, reflected great credit on all the well chosen characters. Between acts piano solos were well rendered by Miss Lulu Graham and vocal numbers by Miss Ruth Chilton. Mrs. Dick, Mrs. Arthur Baskin and Mrs. Earl Wilson were well received. Rev. John Neill was chairman. Proceeds in aid of Choir fund.

JAMES DUNN, SALLY EILERS AND MAE MARCH IN NEW FOX DRAMA

A drama that takes love from the cradle to old age and deals with many of its most important manifestations, "Over the Hill," Fox drama, marking the second screen appearance of that delightful trio played by James Dunn and Sally Eilers and the return of the silent day favorite, Mae Marsh, comes to the Gregory Theatre at Georgetown, next Saturday afternoon and evening.

The love of a man for a maid, the love of a mother for her child; that of brother and brother, father and son, all have their place in this romantic story of a husband's heart.

The central story itself is two-fold, telling the boy and girl romance between James Dunn and Sally Eilers, a romance that is said to exceed in heart touching appeal their magnificent portrayal in "Band City" and "The Mother and me" that binds Dunn to "Ma," the character played by Mae Marsh.

Based on Will Carellon's classic poem, the theme of "Over the Hill" is as true today as when it was originally written.
