FIREMEN'S CONVENTION
AT GEORGETOWN JULY 25th, 30th, 31st, AND AUGUST 1st

Preparations are well underway for the Provincial Firemen's Association Convention which will be held in Georgetown this summer from July 25th to August 1st inclusive.

The various committees of local women and citizens are hard at work making arrangements for the reception to be tendered our visitors and their entertainment while in town.

While the visitors will leave a very considerable amount of money in town for board, rooms, etc., the town generally will benefit financially. It is necessary for the local firemen to provide money for prizes similar to those provided by the towns in which the convention has previously been held. In order to do this a public subscription list is being circulated and voluntary subscriptions are being received by Deputy-Chief W. H. Long.

Our Fire Brigade is a worthy organization, deserving the support of every citizen. Any contribution you may feel disposed to make large or small will be thankfully received.

Following is the result of contributions up to the present, previously acknowledged: \$347.48 Mackenzie and Muckart list, \$0.75
