There was a good attendance at the Baptist Church last evening when the Ladies Guild accompanied by the soprano, Miss West, contralto, Mr. Turner, bass; Miss Burke, reader and the Pastor, accompanied, put on a high-class program of quartets, duets, solos, readings and instrumental music that delighted all present.

While it is always a pleasure to hear Mr. Warren's rich tenor voice, his rendition last evening of "Memories" and "Homecoming" were especially pleasing. His associates, mostly new artists to a Georgetown audience, were exceptionally good in their own right. The entire program was a real treat.

YOUR EYES BE INVESTIGATED

If the letters on a printed page blur or seem to run into each other, an eye examination at the hands of a skilled optician is imperative. We will give your vision a thorough test and tell you whether you are near or far sighted or both or if because of an imperfection of the cornea an astigmatism has set in.
