 GEORGETOWN ONTARIO

Entertained at Golf Links  
 A large party of the Women's Canadian Historical Society from Toronto, visited the Georgetown golf links last Thursday. After a delicious luncheon, Miss Appleby gave an interesting and enjoyable talk on the history of Halton County and its pioneers. The members then wandered over the beautiful hillside and walk, visited the old pioneer house, returned for afternoon tea to the home of Mr. and Mrs. Willoughby. Mrs. Willoughby was a most gracious and charming hostess. Fire, burned in the wide old fireplace, the spacious, lovely rooms were artistically arranged with spring flowers. The late afternoon sun shone over the green sward through the trees just budding into leaf, the whole so picturesque, that we were loath to leave it. As we drove through the gates, all pronounced it the most enjoyable outing of many others of several years, and the end of a perfect day.

On Monday afternoon last while playing over the course here with his father, Mayor Mackenzie, and Mr. Bertram Willoughby, Mr. Sam Mackenzie made No. 2 hole over the pond in one stroke. This is a record to be proud of, the only hole-in-one ever made on the course, and it was made by a Georgetown boy, after some of the best golfers in Canada, among them numerous professionals, had been playing over the course of and on for the past 13 years. Congratulations Sam.
