Men On The Move!

This is the Watch for the active man. Its value, though depends upon more than its style. It is in the workmanship and design. It is a Wrist Watch, of course. But it is, primarily, a Wrist Watch that was designed to function under every test and condition. Its rugged, masculine sports could subject a precision timepiece.

DIED

SPRES—At Hamilton on Tuesday, May 31st, 1932, Alice Queen Spres, beloved wife of George Spres. The funeral will take place from her late home Union Street, Georgetown on Thursday, June 2nd, at 2 o'clock. Interment in Greenwood Cemetery, Georgetown.

TOWN COUNCIL

Georgetown, May 31, 1932. Council met in the Municipal Office at 8 p.m. with Mayor MacKenzie in the chair. Reeve Cleave and Councilmen Cummings, Davis, Gibbons, Furr and Speight present.

Communications were read from T. D. Ferguson, Toronto, and Hamilton General Hospital.

It was moved by Cummings, seconded by Gibbons, that the Mayor and Treasurer be authorized to sign cheques for borrowing money under the original borrowing by-law passed at the beginning of the year, for the balance of the year.

Moved by Furr, seconded by Cleave that we hold a Court of Revision to hear appeals from the assessment roll of 1932 on Monday, June 13th, at 8 p.m. and that the following gentlemen comprise the court: J. P. Furr, Mayor; J. H. Jordan, Councilmen; Gibbons, Speight, Cummings and Davis—Carried.

Moved by Furr, seconded by Gibbons that By-law No. 10 to regulate the administration of the Georgetown Water Works System be not in effect until the third time and finally passed and that the seal of the Corporation be attached thereto—Carried.

Moved by Davis, seconded by Furr that a notice be put in the Georgetown Herald asking property owners on different streets to give notice of their intention to put on, to put in a petition, cost of material to be paid by the property owners according to By-law No. 10.

Moved by Speight, seconded by Cleave that the Thompson Glass and Mirror Co. be notified of their resolution on the 15th of June, 1932—Carried.

Moved by Cleave, seconded by Furr that we do now adjourn to meet at the next regular meeting or at the call of the Mayor—Carried.

Local Council of Women

At the regular May meeting of the Local Council of Women, held at the home of Mrs. H. L. Hutt, last Friday, May 27th, the Council had the pleasure of entertaining the Executive of the Brampton Local Council. The following reports of committees were presented: Mrs. Nodwell for the central relief committee; Mrs. John Adams on the April afternoon tea; Mrs. E. C. Cummings on the meeting of the Recreation committee with the directors of the Georgetown Lions Club swimming pool; Mrs. A. J. Furr on her work as Public Health Nurse.

A motion was passed expressing our regret that Mrs. McCook's departure from town will necessitate her severing her connection with the Council.

A motion was passed appointing Mrs. E. Peller as the Local Council representative on the Halton County Musical Festival Board.

The sum of \$20.00 was voted for the repair of apparatus in the children's playground.

An interesting contest was conducted, in which the winners were: Miss M. Thompson, Georgetown; Mrs. J. A. Carroll and Mrs. Beck, Brampton.

Addresses on the aims and activities of the Brampton Local Council were given by Mrs. Carroll, Mrs. McGee and Mrs. Beck, Members of the executive of that Council.

A social half-hour followed when afternoon tea was served on the pleasant occasion. Mrs. Furr's hospitality and kindness in having this meeting at her home was expressed by the members of both Councils.

GIRLS CONFERENCE HELD AT MILTON

The fourth annual Girl's Conference under the auspices of the Halton Women's Association, held in Milton on Saturday, May 28th, where the District President, Mrs. G. Campbell of Georgetown occupied the chair.

This conference was planned so that they may aid in the every day problems of life and living, and it speaks well for the girls of our county that in these days of rush and restlessness so many are ready to turn aside and give consideration to the things that are after all of the greatest value.—The higher ideals of life and their accomplishment.

In the devotional address Miss F. Watson of Hamilton emphasized the fact that first, the heart must be right, then by God's grace, we may have power to bring forth the fruits of the Spirit Gal. 5, 22-23. By His power the most barren soil may be made fruitful and productive, even as the famous Butchart Gardens in Victoria, once an old quarry, have become a glory to the eye.

Miss Harbottle told of the benefits of the practical instruction given in the subject of the "Influence and Department of Agriculture and of her trip to Chicago as Halton's "high girl" with the group from other counties of the province.

A picnic luncheon was served and especially given special interest to a walk in the spring sunshine, and on their re-assembling Mrs. G. C. Atkins of Milton presided over the first conference was planned.

Miss Oliver of the Ontario Girls' Association gave a pleasing and instructive address on "The Challenge of Life," stressing the need of firm character and the need to stand in the midst of many temptations, and deprecating the use of lip-stick and cigarettes as a lowering of the standard of being incommensurate. There is as much spent in cigarettes as on our universities.

Miss McVernon of Hamilton followed with an admirable talk on health efficiency, given in the form of a series of questions to be answered by the girls. These in the affirmative if she wishes to be attractive, as for instance, Is your weight correct for your height? Do the clothes you wear correct for your physique? Is your skin clear, and are your lips red without the use of lip-stick? Do you sleep well? Do you stand erect? Do you eat correctly?

A group of Milton girls favored the audience with several songs. Miss Miller of Georgetown contributed piano solos, while Miss Deering of Palgrave played accompaniment to the community singing. The conference was closed by the singing of the National Anthem.

Toronto Printing Craftsmen Visit Alliance Paper Mills

On Wednesday, the 11th of May, a large party representative of the Toronto Club of Printing House Craftsmen, to the number of some 250, visited the Alliance Paper Mills, Limited. The cavalcade of motor cars met at High Park Toronto, about 10 o'clock, and arrived at Georgetown at three p.m.

The visitors were met on arrival by the executive officers of the mill, and were taken to the dining room for an official host. They were shown through the mill from top to bottom and accompanied by the mill manager, Mr. J. R. Willoughby, a former president of the Georgetown Outed Paper Mills. Here the visitors were entertained by a most enjoyable dinner.

On the conclusion of the report, Mr. Cliff Lumbers and Mr. Charles O'Connell presided over the light appreciation of the entire party at the warmth of the welcome that had been extended to them and their very interesting tour of the mill that they had been privileged to make.

Owing to the regrettable absence of Mr. Fleck, Miss Illness, Miss Alfred Fleck discharged the duties of hostess, doing so with notable grace and charm.

BALLINAFAD

A number of the young people celebrated Empire Day with the first ball game of the season at Linden Park. The annual community picnic will take place at the home of the Rev. Mr. Willoughby, on Sunday, June 5th.

The W. M. S. of the United Church met at Mrs. Peter Cole's home for their May meeting with almost every member present. Arrangements were made for their annual quilting to take place on June 15th. Mrs. Cole offering to be home for this event. The sale of clothing will also be packed at that time. Miss Beatrice Hills presented the report of the May meeting. It was full of facts relating to the work in South America and included Mrs. A. Shortall had charge of the watch-tower which contained some very interesting items on missionary work.

The funeral of the late Alfred Wedge took place on Saturday afternoon at 2 o'clock at the home of Mrs. M. S. which is being held in Toronto June 1 to 8th.

Address and Presentations

MR. AND MRS. E. DOBBIE WERE THE RECIPIENTS OF DELIGHTFUL GIFTS.

Prior to leaving for their new home in Newmarket, Mr. and Mrs. E. Dobbie were presented with beautiful gifts from the Royal Circle of the Women's Association of Knox Church, the Guild, the B. O. P. Class, and the Young Men's Class, and the following addresses:

Dear Mrs. Dobbie: The members of the Royal Circle wish to present you with this Hymnal. This we feel is but a poor expression of our feeling towards you, but we hope you will accept it, not for its value but by the spirit in which it is given.

Since the organization of our circle we have always found you a very cheerful and helpful worker, and a regular attendant at our meetings and we will miss the influence and example of our busy little bee. Now that you are leaving us we would like you to feel that our best wishes for your good health, happiness and prosperity are yours always.

Signed by: A. Sample, M. McVernon

Dear Mrs. Dobbie and Family: It is with feeling of regret that Knox Church Guild learned of your departure from this town, but such are the vicissitudes of life and we sincerely hope that your new home will prove congenial and satisfactory. We wish to say that your new associates will early learn of your sterling qualities in Church activities.

It is with pleasure that the Guild we have always found you capable and willing to do your part and we will always retain your pleasant memories of our work together. We wish you this gift, a china tea set will always permanently recall the many friends we have in Knox Church, Georgetown.

Signed by: A. L. Toward, Minister, Margaret MacDougal, Jessie P. Baird, Minnie H. Young, Alex Fraser

Dear Mrs. Dobbie: The members of the B. O. P. Class have met here to night to make personal acknowledgment of your helpful services to the class and not only to the church but to all branches of the Church work where you have been called upon to assist. And it is needless to say that we all appreciate you as an earnest and faithful church worker and as a trustworthy, honest and kind member.

We are sorry you are leaving us but all the more do we wish that you and your husband and family, God will be good and bless you in your new home you will find blessing and encouragement and also we trust a kindly welcome to a church that our members have rendered, we the members of said class would ask you to accept this small gift, a silver tea basket as a mark of our appreciation, and we trust that you and yours will be long spared to continue in the work of the Kingdom of God and the betterment of mankind.

Signed on behalf of the above class: Mrs. M. Tamm, President; Miss Isobel Moore, Teacher; Miss Hattie Lawson, Asst. Teacher; Miss Hazel Marshall, Treasurer; Mrs. E. E. Hunter, Mrs. M. Hunter, Mrs. B. Maw, Miss Beattie Robinson.

To our esteemed Classmate, Mr. Ernest Dobbie: It is with deepest regret that we learn that your work has called you to other fields and that your personal connections with the "At Christ's Service" class will be severed. We are always deeply moved when we learn that our chain of membership is to be broken. You were always faithful and took a deep interest in the work of the class. You made many friends in and out of this class during your stay with us and we are sure that you will have already looked up in the safe and sacred repository of your heart our friendly feelings toward you. We ask you to accept this slight concrete token of the high esteem in which you were held and may its use serve to bring back memories of the many happy hours you spent with us. May you and your wife and family carry with you the best wishes of this class for health, happiness and prosperity to your new home.

Signed on behalf of the class: Mrs. E. E. Hunter, Secy, T. E. Cliven, Secy

A FEW REASONS

PROPERLY FITTED, DURABLE AND ACCURATE BECOMING.

THE people whom we have served are telling others that ours is an exceedingly satisfactory eye-glass service. Our optometrist will examine the inner workings of your eye for possible opacities of the cornea or crystalline lens and will determine your near and far sight range. He will also discover if you have an astigmatism—where the rays of light do not converge properly upon the retina.
