Mr. and Mrs. Stimpkins have been residents of our village for a number of years and we are sorry to lose such good citizens. One cannot help but passing through the village, to see the beautiful, brightly illuminated with electric lights and still more beautiful is the flower garden, situated along Silver Creek. Anyone passing through cannot help but admire it. Mr. and Mrs. Davish have moved to their new home in the country and will take up their residence here for the summer.

The following are some of the week end visitors in the community: Mr. and Mrs. W. Mills and children of Toronto at Mrs. Lepold's. Mr. and Mrs. John Arrowsmith and children of Toronto at Mrs. Stockhammer's. Mr. and Mrs. R. Holmes and sons, and Miss Helen and family visited at their brother's, Mr. A. Hill. Mr. and Mrs. A. L. Marshall and Ellen, Messrs. Wm. and Ralph and Miss Rosemary, all of Toronto, at Mr. R. Marshall's. Mr. and Mrs. J. Standish and family of Enniskillen, visited at Mr. and Mrs. S. Kirkpatrick on Sunday. Mrs. A. L. Marshall and Ellen are spending a few days at the home of her mother, Mrs. Kitching. Our ball team must have been in at 10 o'clock on Monday evening when they visited Georgetown. The score was 34 to 9 in favor of the Limehouse team. Keep up the good work boys! Mr. K. MacLaren of Wingham will occupy the pulpit of the Presbyterian Church on Sunday, June 18th. We were glad to report that Mrs. G. Gale, who has been quite ill, is greatly improved. Mr. A. Cooney and son of Toronto got a day or two at the old home last week. Mr. and Mrs. Millere have greatly improved in health since they left their home. It will be a real beauty spot later in the summer when the flowers are in full bloom. Business in the stone quarries is very slack at the present time. SEE JUST AS WELL AS YOU "USED TO"

THE man who expresses the desire to see as well as he used to, should have his eyes examined by a specialist. We will correct all eye deficiencies that are not actually caused by disease of the eye. The usual eye trouble is imperfect focal accommodation of the crystalline lens. This trouble has various ramifications that we can prescribe glasses to remedy.

After the toast to the King, President Fisher called upon Lion Rev. Bill Thompson to do his duty. Lion Thompson, on behalf of the Georgetown Lions Club, then presented white canes to three blind citizens of our community as a token of the respect felt toward them by their fellow citizens. Lion Bill Grant introduced to the Club, Mr. Olander, and Lion Bill Long introduced Messrs. Oo and Ellington. These gentlemen responded to the introduction and thanked the Lions Club for the gifts and expressed the wish that other clubs would do the same to help the blind, in other communities. The White Cane is fast becoming the badge of blindness and serves as a protection for the bearer when passing through traffic.
