OBITUARY

ROBERT SCOTT

After but a few days illness from blood-poisoning, Robert Scott, dearly beloved husband of Annie Urquhart, passed away at the Toronto Western Hospital on Sunday, June 19th, 1932, in his 31st year. Deceased had been an esteemed and respected resident of Georgetown for about two years, prior to going to Toronto about three years ago, where he was employed in the Dominion Stores warehouse. The late Mr. Scott was only married on June 11th, one week before his untimely death. The sympathy of the community in general is extended to his bereaved wife and parents. Deceased was born in Currie, Midlothian, Scotland, coming to Canada about 5 years ago. Besides his wife, he leaves to mourn his loss his mother and father in Scotland, also 2 sisters and three brothers. He was a member of Knox Presbyterian Church, Georgetown. The funeral took place on Tuesday afternoon from the home of his uncle, Mr. John Martin, Victoria St., and was largely attended. Rev. Dr. Hyward conducted the services and the remains where interred in Greenwood Cemetery, Georgetown. The pall-bearers were: Messrs. R. Tripp, A. McQuiggan, Jack Fox, Jim Fox, R. Webster, R. Mackenzie. There were many beautiful floral tributes from relatives and friends.

BENNETT ARNOLD

General sympathy is felt here for Mr. and Mrs. H. T. Arnold, of Toronto, formerly of Acton, and the members of the family here and at other points, in the sudden and tragic death of their youngest son and brother, Bennett. The young man was in his twenty-fourth year. He had been in Port Colborne for several weeks, and had been in communication with his parents until about two weeks ago. It was indeed a tragic blow when officials notified Mr. and Mrs. Arnold on Sunday that his body had been found in the Welland canal, and it was presumed he had been drowned two weeks previously. Identification was established by bank pass books which were found in his clothing. No clue of what happened has been found but it is known that Bennett had drawn funds from his account just a few days previously, but when the body was found only a small amount of silver was in his possession. While Bennett was the youngest son of Mr. and Mrs. Arnold, and was not as well known in Acton as the other members of the family, the incident has called forth the deepest sympathy of all for the bereaved ones. The funeral was held last Wednesday afternoon from Toronto, with interment in Greenwood Cemetery, Georgetown. Quite a number of friends from Acton and Georgetown attended the service at the graveside. — Free Press.

He rallied later in the afternoon and declared he could attend a road meeting if necessary. Mr. Reid was known throughout the State as "Good Roads" Reid. At the time of his death he was president of Oldfield Highway 41 Association and Secretary of the Post Elliott Highway Association. MESSRS. JACK THOMPSON AND W. F. BRADLEY PRODUCE A GREAT SONG

Musical honours are surely coming our way. The astonishing progress made by our already famous Band, has made us realize what can be accomplished by hard work and fixed purpose to attain something worth while.

Now in another branch of music, Georgetown may well be proud. Jack Thompson in a masterly way has produced a great song, which already has been pronounced of a very high order by some of Canada's ablest musical critics. The Toronto Telegram of June 18th, writes editorially as follows:—

"A STIRRING SONG"

"A song that will surely win a host of friends wherever it is sung, particularly where men assemble—in lodge, club-room, banqueting hall and so forth. A stirring, vigorous, brave song that bids us say the kind word about our friend while he is with us, instead of leaving it for obituaries and funeral orations to utter. Such a song is "Speak While He Lives," lyric by W. F. Bradley, music by Jack Thompson. The music is bold, definite and tuneful, faithfully interpreting the verses, which are terse and clear. There is a dramatic fervor about the number that gets to the heart of the listener at once, and the singer cannot choose but sing. "Speak While He Lives" might easily take the place once held by 'Good Company,' that fine, manly song which every "he-man" loved—either to sing or to listen to. It is published by "Dominion Songs," Georgetown, Ontario."

The Herald wishes it could produce some of the music, so our readers could see for themselves. However, as we cannot write music, we take pleasure in giving the words, which are prefaced as follows:—

"Can storied Urn or animated Bust
Back to its Mansion call the fleeting Breath?
Can Honour's Voice provoke the Silent Dust,
Or Flattry soothe the dull cold Ear of Death?"

From the manuscript of Thomas Gray to his friend, Dr. Thomas Wharton, dated Cambridge, 1756.

Now follows the long lyric, bidding us not to wait but to "Speak While He Lives."

There comes a time when silence loses caste,
There comes a day, a duty to perform.
Wait not until a noble life is past,
Be not afraid to show your love by storm.

Chorus:
Speak While He Lives, while eyes are bright,
While pulse is strong, and vision keen.
This is the day, wait not till night,
To tell how fine this Soul hath been.
Speak with a voice true and sincere,
Speak while He Lives this very day.
With fearless accents, bold and clear
Tread down the monster called "delay."
This is the day, wait not till night,
Speak While He Lives, wait not till night.

The day is here, let us the stillness rend,
Throw off the cloak of silence, cursed thing.
Awaken now and let our shouts ascend
Speak While He Lives, again our voices ring.

Address and Presentation

BY KNOX SUNDAY SCHOOL TO MISS M. YOUNG

The Sunday School staff and friends of Miss Minnie H. Young met at her home on Monday evening, June 13th, 1932, to show their gratitude and appreciation for her long services in the Sunday School of Knox Presbyterian Church. A very enjoyable evening was spent which began with singing "Auld Lang Syne" and followed by a vote of thanks by Mrs. Howard.

Mr. E. Harrison, the Superintendent who was acting as chairman of the evening, then called on Miss Young. Miss Jennie McDougall and Mr. Jack Cunningham to take the floor. Mr. Cunningham then read an address in which was expressed thanks to Miss Young for her faithful services in the Sunday School, and owing to the fact that she is not able to act as teacher this year, wished to materially convey their appreciation to her. Miss Jennie McDougall then presented her with a music case on behalf of the Sunday School officers and staff. The address was signed by Rev. A. L. Howard, Mr. E. Harrison, Superintendent; Mr. A. Rumble, assistant superintendent; Mr. J. Cunningham, secretary; Mr. Allister Kahn, assistant secretary; Miss J. Baird, Treasurer; Miss E. Baird and Miss M. A. Little.

Miss Young in reply thanked them for the gift and expressed the joy she had had in the Sunday School work and, also her desire to be able to continue it again in the near future.

A delicious lunch then was served and the evening was brought to a close by singing "Auld Lang Syne."

CORRESPONDENCE

The following letter received by the Editor this week is quite timely and speaks for itself:—

Toronto, June 13th, 1932.

The Editor, Georgetown Herald.
Georgetown, Ontario.

Dear Sir:

Having visited your beautiful town on Friday, and admired the artistic war memorial at the juncture of No. 7 Highway and Main Street, I as an ex-service man was saddened and chagrined to note that the plot in which the memorial is set was choked with weeds and long grass. Surely a town like Georgetown which boasts a branch of the Soldiers' Legion, a Lion's Club, a Boy Scout troop, as well as a band of Dominion wide reputation, could find volunteers to care for this soldiers' "acre" so that the memory of those who are commemorated in this monument may remain "green" to the present and future generations.

Yours sincerely,
Norman A. Keys.

JUNE MEETING W.C.T.U.

The monthly meeting of the W.C.T.U. was held at the home of Mrs. Vanalter. Considerable time was devoted to the opening exercises, which were in the usual form. These were followed by the minutes of the last meeting and the treasurer's report which showed the Union to be in a healthy financial condition.

Arrangements for the Convention to be held in Acton on June 23rd were made. Seven delegates were appointed and suggestions for Georgetown's share of the program were made. It was felt that all who could possibly do so should attend the Convention.

Mrs. Rumley gave some extracts from a leaflet on "narcotics," which gave some very startling figures.

There was some discussion regarding the July meeting and the matter was left in abeyance. Announcements to be made later.

A splendid offering was made and the meeting closed with a hymn and the Lord's Prayer.

CHAPTER OF ACCIDENTS DELAYS DOLSON FUNERAL

Although those in charge had allowed plenty of time to reach Norval from Islington for the funeral of Mrs. Annie Dolson last week, several unforseen circumstances delayed the ceremony by nearly two hours.

When a new truck which the casket company was using to transport the vault up Burnhamthorp road from Islington towards Norval broke down, and another vehicle had to be secured. In moving the heavy vault which weighs about a ton, to the second truck, one of the men, Ivan Anderson, was injured when the vault slipped and crushed his foot, breaking it. This added mishap precipitated a further delay while medical attention was obtained, but eventually the vault was transfered successfully and the truck reached Norval.

FARMERS LACK MARKETS DECLARES MISS MACPHAIL

The town hall, Milton, was crowded last night by people from all parts of Halton County, who came to hear Miss Agnes Macphail, M.P. Miss Macpail appeared under the auspices of the Milton U.F.O. Club. Her subject was "Economic Conditions as Affecting Agriculture and the Imperial Conference at Ottawa." Major Eyer welcomed the speaker, and Mrs. Joseph Wilmot introduced her. Archie Service was chairman. Miss Macphail dealt with farming conditions in the past, the present, and outlined what she hoped for in the future. The speaker blamed the depression among the farmers on low prices and lack of markets. She believed the farmers' delegation to Ottawa would have good results. A vote of thanks to Miss Macphail was moved by E. Agnew and seconded by Mrs. R. G. Galbraith.

HOLD SPECIAL SERVICE TO MARK 112th YEAR

Boston Presbyterian Church, situated three miles north of Milton, celebrated its 112th anniversary on Sunday. The Rev. A. C. Stewart, M.A., minister of Chalmer's Presbyterian Church, Toronto, conducted both services. Boston congregation was organized in 1820, and in the same year a frame church was erected and was used for worship until it was superceded by the present stone edifice which was built 64 years ago.

CANNOT WRITE EXAMINATOINS WITH INCREASED FEE

Many collegiate students will be unable to try their matriculation examinations this year for lack of funds, according to many reports.

Recently the Department of Education increased the fee from $1 to $1.50 per subject, and at the higher rate there are some homes in which three scholars reside which would be called upon to pay over $20. It is understood that the matter will be taken up with the Department.—Exchange.

The Thompson Clan Reunion

The third annual reunion of the descendants of Major George Thompson and his brother William Thompson, well-known pioneers of the township of Esquesing, was held in the Park at Georgetown on Saturday, June 18th.

These two brothers came from Longford Co., Tyrone, Ireland, a short time previous to the year 1818 and settled in the village of Stewarttown. Major George Thompson later purchased from the Crown, a farm covering lot 16, 8th line, Esquesing, near Georgetown, where, at that time, denizens of the forest held sway and occasionally ravaged the young stock of the farm. A portion of that farm is now owned and cultivated by Professor Hilts, formerly of the O.A.C., Guelph, and is now one of the beauty spots of Georgetown.

About the same time Major Thompson's brother William purchased the farm now owned and cultivated by his great-grandson, Norman Thompson. From that time this farm has been continuously in the possession of this branch of the Thompson family.

The families of these two brothers scattered far and wide. Descendants to the number of about 175 journeyed to Georgetown Park on Saturday to spend a few happy hours together and to recall many thrilling incidents which occurred years ago.

Representatives were present from North-East Penn., Lakefield, St. Catharines, Toronto, Hamilton, Streetsville, Orangeville, Shelburne, Erin, Acton, Norval and Georgetown.

While the older members enjoyed a few hours renewing acquaintances, the younger members spent the afternoon in sports of various kinds.

After the supper hour the President, Frank Thompson of Milton, Ont., extended a cordial welcome to the guests, a welcome that was heartily responded to by Mayor J. B. Mackenzie, Reeve Cleave, Chief of Police Marshall and various members of the clan itself. Other guests of honour included Rev. W. G. O. Thompson, Mrs. J. B. Mackenzie, Mrs. Harold Cleave, Mrs. W. G. Marshall and Mr. Passmore of Mt. Hamilton.

After hearty appreciation of the work of this year's executive had been expressed, an executive for 1933 was elected as follows:

Hon. President—Frank Thompson, Milton.

President—Mrs. J. J. Thompson, Georgetown.

Vice-Presidents—Norman Thompson, Georgetown and Wilfred Thompson, Hornby; Mrs. Thos. Hewson, Norval, Mrs. Will Graham, Norval; Thomas Ferguson, Toronto.

Secretary-treas.—Lawrence Thompson, Toronto.

Assistant Secretary-treas. — Chris. Routledge, Toronto.

Convener, table committee—Mrs. Dean Leslie, Georgetown.

Convener of sports committee—Clair Carruthers, Toronto.

The two 8-week old Eastern Canadian black bear cubs seen above were born on the Wedgewood Hunting and Fishing Club grounds at Bissett, P.Q. They arrived in Montreal accompanied by Arthur Beauvais, well known guide. They've been called Michael and Mary. As shown by the photograph, and photographs cannot lie, these two babies took early advantage of their first introduction to civilization to telephone Mother, though a little late for Mother's Day, to assure her they were being well looked after. Michael is listening in while Mary is doing the telephoning. They have been fed on tinned milk since their capture, but sugar is also a favorite article of diet.

The cubs were brought to Montreal by Canadian Pacific Express and went on to New York from the Windsor Station.
