BOOST CANADIAN TOURIST TRADE

The following paragraph is going the rounds of the Canadian press: "The Prench Germans Cubens Italians, Swiss and a dozen other people are actively engaged in competing for the American tourist trade. This year steamship fares have been reduced to so low a level that Canada must face competition from tourist resorts across the Atlantic. Then why not make a virtue of the Atlantic shipping fares, and attract more tourists to Canada from Europe this summer? Canada needs the tourist, our shipping companies need the pas-
