THE OLD LOG HOUSE

Rickety, shingless, old and gray. Scathed by the storms of many a day, In a wayside spot where the wild weeds grow Stands the old log cabin of long Lollily, haughtly round it stand Lordly mantions on every hand, Deigning never a look to cast On the ruined roof of the humble past.

Raiely a foot o'er its threshold falls. Rarely a look at its old gray walls By a friend or a stranger is cast, I nurses nome, seeking her own room. Nobody cares for the old house now. Rolling away its rough rude wall,

Tottering and tumbling and like And the rafters round, which its roof uprears Are bent by the burden of four-score The winter wind kind the summer sun.

On roof and gable their work have

As back and forth on their weary way nad been given to another, the world need, suffering, and unsanitary con-

And I stood by the spot where hearth had been: Where the backing thre with its ruddy live-long night.

All cracked and crumbling the hearthstone. And fallen the jambs by the fireplace Where the weird night shadows

Silent I stood on the rotting floor.

No couch so soft as its humble bed.

No face so fair to my childish sight As her's whose kiss was my last good Again 'mid the bygone years I seem, And the past comes back like a waking dream.

Till the ruined walls no more I see.

But the old house stands as it used

All the home faces are met by the

Till the last from the empty hearth And I stand neath its ruined roof-

Alas for the wreck of the robber years Alas for our unavailing tears O'er the withered leaves of the past Strewn thick on the pathway of mem-

Like a dream we come, like a dream Me So Were the idols we worshipped yester-

Yet mouldering away through Porever green will the memory be Of the dear old house that I used to

KINDNESS PAYS

It pays because the world needs and the dew, and men could no more will be a big tax on a nurse—" do without it than without food and raiment. It always pays to give the world what it really needs.

It pays because in kindness there is often thanked her hucky stars that the programme of the ber for the corresponding period of making the mining settlement.
