MOTOR TOURIST RECEIPTS

Obserful are the tourist trade exparts who predicted Canada's annual income from motor tourists would not drop this year far below the previous mark of \$250,080,000, Based on reports from key points, the outlook is good. While a decline was to be expected in times and money devoted to recreation this year on the American continues, the flow of motor travellers across the international border into Canada's holiday haunts has been sticks. She was told of Kruschen Salts and decided to try them. After taking one bottle she found great relief, and after two bottles was able to walk without the aid of ticks. She has never been without Kruchen since, and takes a small dose two or there times a week. She is still able to travel and go about, although the was seen last Peteruary. Indeed, at the counter of the counter Canada's holiday haunts has been between Vancouver and London, English up to within 7 per cent of volland. She has recommended Erusch-
