THE ACME OF LIFE

greatly with the individual, hope is always making of wealth, plans of achievement, plans of benefit to others. Sometimes all our thought centures on one great project ample in its details, rich in its development. fit to crown a life with giory, if we carry it to success. Sometimes our more limited, and we are content with a succession of briefer efforts, each absorbing us for the moment and then Fortunate the few who can go of thus hoping and achieving to the end,

who can turn from one success to

another with inexhaustible buoyancy. never having the leisure to regret! To such persons life never seems long.

she His grand-dad in his house of loss-Swore things were going to the dogs.
